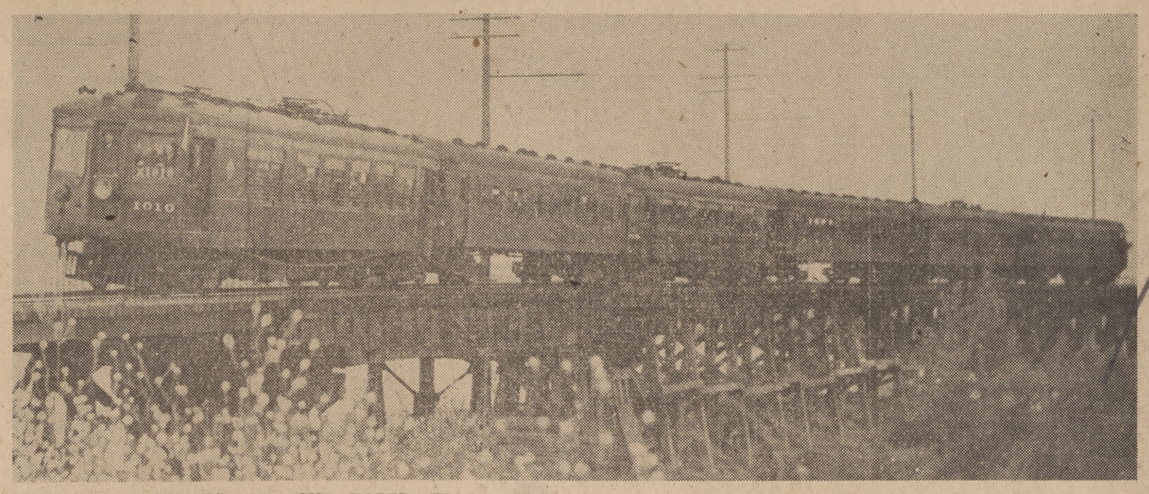
ORINDA SUN

Vol. X, No. 8 — Lafayette — Orinda, California — Friday, May 9, 1952 — Ten Cents



NOSTALGIC MEMORIES? OR FOND HOPES? Whichever this scene inspires, it's a picture of the last through excursion run of Sacramento Northern's old passenger service. Date was May 25, 1941 The photo was taken on the Lisbon trestle, about 15 miles west of Sacramento. Today, commuters throughout Central Contra Costa County are hoping that passenger commute service to San Francisco and the East Bay can be revived, despite Western Pacific's announced intention to abandon and tear up the Sacramento Northern tracks from West Lafayette station into Oakland.

Garbage Proposal Withdrawn by Sanitary Group

A Central Contra Costa Sanitary District director last week offered a garbage ordinance proposal, but it wasn't accepted.

So back into his pocket it went, at least for the time being.

Director R. E. Wadsworth, author of the proposal, withdrew his motion in the face of objections from the floor and from Chairman Elliot Johnson.

Wadsworth's proposal set up garbage collection procedure under present rates charged by independent collectors.

HE ALSO SPECIFIED methods of handling, and methods of payment to the district for the high bidder's exclusive collection rights.

Wadsworth and his supporter, Director Harold Toland, admitted the purpose of the ordinance was to raise revenue for the district.

Johnson and H. M. Smitten agreed the district needs additional money, and said that other methods of raising funds have been discussed and eventually will be made public. William Maliot has been opposed to the measure from the first.

"We've had three or four plans to raise money," Smitten said. "Something has to be done if we're to avoid asking for another bond issue."

WILLIAM W. WILSON of 38 Mira Loma, Orinda, asked why the board was interested in garbage collection when present service is satisfactory.

Sumner H. McAllister of Las Hurertas Road, Lafayette, questions the board's principle in its extension into garbage control before the public expressed a desire for such action.

He urged that the public should be given a chance to study the proposal and that any action in that direction by the board should be motivated by the people.

WADSWORTH EXPLAINED that he read the proposal for consideration rather than for prompt action.

He said state law gave the district authority to set up a garbage franchise, and that other districts had done son.

In the end, he agreed to withdraw the proposal, at which time Johnson intimated that the issue was dead as far as he's concerned.

TWO WILL BE ELECTED. These four candidates are running for two posts on the Orinda School Board. Election is next Friday. Incumbents Catherine Schwarck and Anthony R. Cianciarulo are seated at right. At left is A. M. Arighi; next to him is Cecil E. Cantrill. — SUN Photo by Mattson

Diablo Federation Board Endorses County Road Bonds

Endorsement of the $10,250,000 county road bonds proposal was voted Tuesday night by the Board of Directors of the Diablo Highway Improvement Federation.

Support of the measure which will be on the June 3 ballot followed extensive discussion at the meeting with Board of Supervisors Chairman Jack Cummings, County Road Commissioner Victor Sauer and Manager Iona Booth and Cy Cairns of the Contra Costa County Development Association.

THE SESSION was held at the home of Ed Rowland. Present from the Lafayette Chamber of Commerce were Directors Carl Westlund and Gorrill Butler and Secretary Fred Peglow. The Lafayette chamber board recently voted not to endorse the bond proposal, but after Tuesday night's discussion and action, the representatives present stated they would bring the matter up again at the Lafayette chamber meeting next Tuesday for possible reconsideration.

During the discussion it was mentioned by some, includng the Lafayette chamber representatives, that one fear was that there was no proof that the allocations recommended by Ralph Tudor, San Francisco consulting engineer whose report is the basis for the road bond proposal, would be the actual costs, despite Tudor's excellent reputation.

A SUBCOMMITTEE of the federation board was named to meet with Tudor or his representatives to go into the estimates more thoroughly, and a conference was later arranged for 10 a.m. yesterday morning at Tudor's office. Subcommittee members are Federation Vice-Chairman Charles Nelson of Orinda, subcommittee chairman; Carl Westlund of the Lafayette Chamber of Commerce and Robert T. Anderson of Pleasant Hill.

"Our attitude is that if we're satisfied the road bonds proposal is sound, we want to go all-out for it," Federation Chairman Elliot Hartman reported. "If it's a proper move, we felt we'd be remiss if we didn't endorse it."

PRIOR TO THE board vote, Cummings, Sauer, Mrs. Booth and Cairns stressed the need for the $10,250,000 bond issue. Among points emphasized by them was that if the bond issue passes, there will be, in addition, approximately $1,000,000 available in county funds for capital outlay on road work projects not covered by the bond issue, and another approximate $1,000,000 from gas tax funds for similar purposes.

If the bond issue fails, these county funds would have to be used on the major work specificed in the Tudor report — and thus county road work be sacrificied, it was pointed out.

Also emphasied was that the 78 miles of road work specified by Tudor are of the "most urgent" category.

SAUER REPORTED that improved specifications are being put into effect for regular county road work — that there will be very little so-called resurfacing and patching, but that repair work will be good reconstruction, with a good gravel base and a heavy plant mix blacktop.

Cummings said the bond issue would "give the road commissioner and the county the tools to work with." "Contra Costa County," he said, "has had an average 80 years of growth compressed into the last 10 years."

"If the bond issue doesn't pass," he warned, "the 78 miles mentioned by Tudor are still the most critical — so there will be less chance of needed work on other roads."

CUMMINGS EXPLAINED that Fish Ranch Road was not included in the bond issue plan because this project "would depend on Alameda County cooperation."

At suggestion of the federation board, Cummings agreed to arrange a meeting of Alameda County, Oakland, Berkeley and Contra Costa officials with the federation, regarding Fish Ranch Road. Anderson, who is assistant city attorney of Berkeley, assured the board that Berkeley is interested in such a project.

Chairman Hartman announced that Anderson has been appointed as a federation director.

'Cost Estimate Accurate,' Tudor Tells Federation

The Diablo Highway Improvement Federation's subcommittee headed by Charles Nelson of Orinda met with Engineer Ralph Tudor in San Francisco yesterday and was assurred by Tudor that his road cost estimates were as accurate as possible.

Tudor explained that a thorough audit was not feasible because of the cost, but that his estimates were of the type usually used for bonding purposes. He said individual projects might vary slightly but that the over-all $10,250,000 estimate is based on expected construction costs during the next few years.

After Nelson reported on the conference to Federation Chairman Elliott Hartman, Hartman said: "On the basis of this conference, the board feels Tudor's estimate is a good one and as accurate as possible. We are wholeheartedly for the bond issue."

Orindans Give 80 Pints Blood For Armed Forces

Mrs. James Felchin, chairman of the Red Cross Blood Procurement Committee which arranges the Orinda donor appointments for the Mobile Unit, reported that 80 pints were given by the community on Monday.

Out of 150 appointments, 115 persons came to Orinda Community Church to give blood. The discrepancy was due to last-minute cancellation, or to some who just forgot. "Drop-ins" with no previous appointment, instead of increasing the total number of expected donors, helped to prevent the total from being less.

Thirty-five rejects account for the difference between the 115 persons and the 80 pints actually delivered. Poison oak, an allergy in the blood stream, accounted for a high percentage of rejects at this time of year.

The Red Cross was delighted with the 80 pints of blood it received from Orinda and wishes to express thanks and appreciation. The largest percentage of local donors are "repeaters" that donate every time the Mobile Unit comes to town.

"It is our desire to increase the number of donors among the new residents and among those who have never had the experience of giving blood," Mrs. Felchlin says. "This can be done through public education and repeated publicity of the great need of blood for the armed forces at this time."

Many local women assisted the staff from Stockton. They included Mesdames Eller, Drews, Logan, Deleurelle, Howard, Lowthain, Hilger, Marjorim, Nicholet, Smith, Anderson, Gordon, Loop, Manners, Bergh, Adams, Gordon, King and Ornduff.

Sentiment Mounts For Revival of Commuter Trains

Indications this week were that "Save the Sacramento Northern right of way!" may become the rallying cry of transportation-hungry commuters of Central Contra Costa County.

Sentiment kept growing for revival of rail commute service along the Sacramento Northern tracks from this area to Oakland and across the bridge via Key System tracks.

G. H. Kneiss, assistant to the president of Western Pacific Railroad, admitted that the railroad had received letters from residents of this area, asking W. P. not to tear up its Sacramento Northern tracks, but, instead, to revive the passenger service.

"One man asked if it would be feasible to use the right of way for monorail," Kneiss said.

"HOWEVEHR, OUR VIEW remains that we see no other course but to abandon the tracks and tear up the rails, after we get the franchise in Oakland to build a half-mile of track from 12th and Union to connect with our line on First Street, and after we get permission from the Interstate Commerce Commission to build, and I.C.C. permission to abandon the Sacramento Northern tracks.

"Revival of passenger commute service would be too costly and mechanically difficult."

Kneiss reported that the Oakland City Council had not acted this week on the franchise application of Oakland Terminal Railway, owned jointly by W. P. and Santa Fe Railroad. He added, however, that he was confident the franchise would "come through" within the next week.

MEANWHILE, the transportation problem, aggravated by the Greyhound bus strike, was further emphasized as two State Public Utilities Commission hearings opened in San Francisco.

One was on the application of Arthur Jenkins and Fred Hamilton Jr. for the Greyhound routes in Contra Costa, Marin and San Mateo Counties, and the other was on the application of Timothy J. Manning, former Key System president, to take over the Greyhound franchise in Marin County.

A Lafayette resident who, because of his business connections, said he wished to remain anonymous, pointed out:

"SOME MEANS of rapid transit is necessary to the continued growth of the community. The Sacramento Northern right of way would provide a right of way for such a service.

"Present electric power supply voltage would not be a difficult problem to overcome. The Sacramento Northern itself operates the same motive power on both 600 volts and 1200 volts. It is a simple matter of traction motor connections."

Teacher Pay Hike OK'd – $100 Less Than Requested

Lopping off $100 from the beginning salary requested by the Orinda Teachers Organization, the Orinda School Board this week adopted an upward-adjusted salary schedule for teachers.

The schedule, specifying a starting salary of $3400, was submitted to the teachers' group, which is expected to act on it Monday.

The teachers had asked for a base salary of $3500, with upward gradations based on units of college credit acquired later. Top salary under the teachers' proposal would be $5645, but the board action cuts this down to $5545. The new scale would go into effect next school year.

AT THE BOARD meeting, held at Orinda School Monday night ,a progress report on work on the new Sleepy Hollow school disclosed that: (1) Grading is complete; (2) forms are being made and steel is being installed for the foundation; (3) framing is being readied; (4) sewer lines are about ready to be located.

Contractor is A. F. Stewart of Berkeley. The new school is scheduled to be open shortly after beginning of the fall term.

SCHOOLS SUPERINTENDENT Joseph L. Sheaff reported district enrollment at 1260 as of Monday—670 at Orinda School, 590 at Glorietta.

Three new teachers were hired for next school year—Mrs. Georgia Harvell of El Cerrito, Mrs. Inez Lillie of Berkeley and Mary Ann Ahern of Pittsburg.

MacDonald Home Badly Damaged By Fire Saturday

Fire gutted the home of Mr. and Mrs. Eric MacDonald at 36 Marston Road late last Saturday, causing severe damage. Origin of the fire was undetermined.

Flames 30 or 40 feet high shot from the roof of the one-story frame house, formerly the summer home of the Otis Marstons. The house was enveloped in flames when the Orinda Fire Department arrived. Flames were brought under control in about an hour by the fire department under Chief H. E. Wyatt. About 14 firemen were on the scene.

One side of the rambling house was destroyed and the remainder damaged.

The fire was reported by Mrs. A. E. Dennison, a next-door neighbor. The MacDonalds and their year-old son, Jimmy, were having dinner at the home of Mr. and Mrs. Joseph Pardini at 26 Marston Road when the fire broke out.

Over 500 Kids Are Expected at Rotary Field Day

Over 500 Orinda boys and girls in grades 4 through 8 are expected to participate in the Second Annual Rotary Field Day tomorrow at Orinda School grounds, according to Joseph Sheaff, schools superintendent and R. Gray, president.

The events will include running, potato and sack races, running broad jump, high jump, basketball throwing for accuracy, volley and football throwing for distance, softball throwing for accuracy and kickball for accuracy.

Separate events will be conducted for boys and girls. Youngsters will be divided into grade groups for fair competition.

The boy and girl who mark up the most points will have their names put on a permanent bronze plaque at Orinda School.

The Mothers Club will staff a hot dog booth on the grounds.

Frank Isola, physical education instructor for Orinda School District, is in charge of scheduling the day's events. Bob Nordquist is in charge of the program.

About 450 youngsters competed in the field day last year.

Weather Goes On But No Change

Well, there's one thing we can always be sure of — we always have weather.

It didn't make any news this week, it was very ordinary. Warmest day of the week of May 1 through Wednesday was on Tuesday, with a 71-degree temperature. Lowest temperature recorded during the week was on Monday, 35 degrees.

Total rainfall for the week amounted to .35 of an inch, adding just slightly to the year's total (since July 1), bringing it up to 45.72 inches.

Register Pupils Here Next Week

Next Tuesday and Wednesday, 9 a.m. to noon, are the dates for registration of kindergarten and first grade pupils for the 1952-53 school year, Schools Superintendent Joseph L. Sheaff announced this week. The registration is for those youngsters new to the Orinda School District.

Places of registration will be the Orinda and Glorietta Schools.

"Every parent of such children is urged to bring the children for registration," Sheaff said. "A birth certificate is essential."

The new state-required age standard goes into effect — for kindergarten, a child must be four years and nine months old on or before next September 1; for first grade, a child must be five years and nine months old on or before next September 1.

Concert Tickets

Do you want to know how to buy your Acalanes Concert series tickets in Orinda? Subscriptions for the four concerts will be taken at the Orinda Music Store from May 12 to 17, the week of the membership drive.

Or contact Mrs. Paul Pollaczek, 8248; Mrs. B. W. Best, 2518; Mrs. E. J. Unruh, 8289; Mrs. W. H. Lloyd, 8473; Mrs. W. A. Patterson, 2226, or Mrs. Hart Livingston, 8429.

Do Newspapers Second Guess Sanitary District?

The public was given a look at the proposed garbage franchise proposal last week as presented to the Central Contra Sanitary District.

Actually, the proposal wasn't even on the agenda.

First to bring it up was Director William Malott when he mentioned that newspapers seemed to figure the proposal would be discussed. (The Sun was first to print the story.)

Chairman Elliot Johnson then asked Malott if all the information he had access to came from the papers.

At that point Wadsworth said, "Occasionally, the papers seem to second guess the district's plans."

And then, he reached into his pocket, pulled out the ordinance and began thumbing through it.

After hearing it read, Director Harold Toland suggested a discussion.

William W. Wilson of Orinda got up and explained that he wasn't representing any specific group, but that he was just a interested citizen wishing to express his views.

Johnson said, however, that Wilson was actually at the meeting at his invitation.

Statements by Candidates for Orinda Board

Arighi Stresses School Problems

By A. M. ARIGHI

Everyone should take an active interest in his community. To do my part, I filed for School Trustee, which position seemed particularly interesting to me and one which I thought I had the necessary qualifications to fill.

As a resident of Orinda for the past three and a half years and with a daughter in the third grade at Glorietta School, I believe I am aware of the many problems that confront our grammar schools. My job as a chemical engineer with Standard Oil Company for the past 16 years should help me solve such problems, inasmuch as I engage in planning new refinery installations and studying the overall economics of such installations, study the efficiency of existing plants and am in constant contact with current construction costs.

In view of the rapidly increasing growth in population in the Orinda area, it has become necessary to expend larger and larger sums of money on our schools to keep up with this trend. I think we all agree that our children should be provided with adequate facilities for the best possible education and I am in complete accord with this. However, it is essential that our money be spent wisely to attain maximum values, and, if elected, I shall constantly strive toward this goal.

School problems are, of course, not problems of the school board alone, but are problems of the whole community. My policy would be to keep everyone informed on actions of the board at all times, and to solicit criticisms of such actions, either for or against.

Elect 2 School Trustees Next Friday; 4 Run

Two Orinda School Board trustees will be elected for three-year terms next Friday, May 16. Polling place is the Orinda School. Hours are 7 a.m. to 7 p.m.

Running for the two positions are Mrs. Catherine Schwarck and Anthony R. Cianciarulo, incumbents whose terms expire June 30, and Cecil E. Cantrill and A. M. Arighi.

Qualifications, Experience Told By Cianciarulo

By ANTHONY R. CIANCIARULO

I have been a resident of Orinda for the past 11 years and a property owner for 15 years. I am married and have a family of four daughters, three attending Glorietta School. I have operated by own insurance brokerage business in Oakland for the past 25 years.

About a year ago I was appointed to the Orinda School Board by B. O. Wilson, County Superintendent of Schools. After serving a year on the Board I feel I should seek reelection, as it requires a year or so to become acquainted with the duties and activities of the Board. Therefore, I will be of greater value to the Board for having the past experience.

The Board assigns certain specific duties to each Board member to handle invidually. One of my duties is to supervise the insurance coverage for the School District, and with my past experience I feel well qualified for this duty.

Naturally, being a father of four children I have a keen interest in youngsters and a very definite interest in the community and its activities. I feel very well qualified to assume the responsibilities of a Trustee of the Orinda School District and I would appreciate your support.

School District Duties Described

By CATHERINE SCHWARCK

As a resident of the community for nearly 12 years, with two boys in Orinda School (second and fourth grades), and having served as president and on the Board of Orinda Nursery School and Orinda Mothers Club, I believe I have an understanding of many of the problems with which a member of the School Board of this district should be familiar.

It has been one of my duties on the Board, where I have served for over a year, to interview all candidates for teaching positions in our grammar schools. As long as I am a Board member I shall continue my efforts to see that our schools are staffed with the ablest and most experienced teachers available. The new salary schedule recently approved by the Board provides financial inducements comparable to those of other districts in the area. I believe that all teaching personnel should not only be well qualified to instruct in the fundamentals of education, but also, as individuals, have sound views on good citizenship.

I think there should be full cooperation at all times between the School Board and parents and parent organizations interested in problems of an educational nature, and I wish to assure the members of all such groups of my continued willingness to discuss such questions with them at any time .

While membership on the Board entails a considerable amount of personal time and has required my being available on short notice, I shall always hold myself in readiness to serve such demands.

Every resident of the district is interested in taxes. As a Board member I believe this is a matter to be kept constantly in mind as a primary consideration in all actions taken by the Board so that the greatest educational benefits may be secured for our children from every tax dollar spent.

Double Sessions Point Up Needs, Says Cantrill

By CECIL E. CANTRILL

We are all vitally concerned with the continued prospect of double sessions in the Orinda schools. Regardless of teacher proficiency, a child cannot receive the proper training unless suitable classrooms and facilities are made available.

It is apparent that the solution of this problem will neither be cheap nor come about overnight. The construction to date has merely kept pace with the mounting school population — and even so, still on a double session basis with little hope of providing facilities for an old-fashioned, regular school day in sensible-size classes. It is simply a case of too little, too late.

It is my considered opinion that we are living in a distress school district. A state school bond issue was passed by you several years ago to help such districts. It is my understanding that our district applied for such aid at the time but was rejected. No further attempts were made to receive favorable consideration.

A new state bond issue will no doubt be submitted again next year. Our school problems are so acute that Orinda should not be excluded from participation in these funds.

If I am elected, I will endeavor to have your School Board aggresively explore every means, both local and state, to bring about better facilities for your children.

I have two sons, one of whom is in first grade at Orinda School.

I am a graduate of the University of Michigan, where I received my B. S. in Mechanical Engineering. I have been with General Electric Company in Schenectady, N. Y., and with Columbia Steel Company in San Francisco; at Columbia Steel I was chief production planning engineer. At present I am sales representative in the East Bay Area for American Hospital Supply Corporation of San Francisco.

Your votes and support will be appreciated.

Young GOP Cocktail Party Is Tomorrow

The Young Republicans of Orinda are having a cocktail party tomorrow, 4 to 6 p.m., at the de Laveaga home on Bien Venida and Miner Road. Everyone is cordially invited to attend and bring friends.

Short Meeting Held By Orinda Chamber

Orinda Chamber of Commerce members adjourned early due to lack of a quorum at last week's meeting at Casa Orinda.

Plans for the installataion dinner were discussed but are still indefinite.

Deadline Extended

The Redwood Writers of Vallejo have extended the deadline for their science and fantasy fiction short story contest to July 1.

Commuters Eye Strike, P. U. C. Moves

The future of Greyhound bus transportation in this area occupied the attention of two groups meeting separately in San Francisco this week.

On one hand, a three-man federal conciliation panel continued its efforts to effect a settlement between Pacific Greyhound Lines and the striking A. F. L. Motor Coach Employees Union. In another part of the city, hearings were begun before the State Public Utilities Commission on petitions of two other organizations which propose to take over all or part of the suburban commuter bus operations in the Bay Area.

One of these, the Bay Area Transit System, headed up by Arthur Jenkins, San Francisco traffic expert, and Fred Hamilton Jr., Midwest bus lines operator, has asked to take over all three strikebound bus lines comprising Contra Costa, Marin County and the Peninsula communities. The other, headed by Timothy J. Manning, former Key System president, has immediate designs only on the Marin County lines.

The Greyhound strike has been on since March 2.

"THERE'S MORE to this than meets the eye," said Del Armstrong, publicity chairman for the Contra Costa County Commuters Association. "Nothing has been presented in the hearings which began earlier this week to indicate that their outcome will have any effect on the 69-day-old bus strike."

Armstrong disclosed that his group is being represented jointly with the Marin County commuters at these hearings, having engaged the services of Spurgeon Avakian, attorney, to act in their behalf.

Avakian, it will be recalled, was retained by these same two commuter organizations once before, when the Contra Costans successfully defeated a Greyhound proposal for increased commuter fares early in 1950.

EXPLAINING this recent alliance with the Marin group, Armstrong continued:

"At the outset of the present strike, the Marin commuter groups unfortunately became involved in an ill-timed local move within their county to take over the bus lines under county management, and there was no common ground on which we could act. Marin has since cleared this obstacle, and both of our groups are now working together to protect our future interests."

COMBINED MEMBERSHIPS in the Contra Costa and Marin clubs is approximately 7000, of which number some 1000 are from Contra Costa County.

President Arthur Bowman of Orinda, in announcing the next regular monthly meeting of the Contra Costa County Commuters Association, urges all commuters who can possibly do so to attend, in order to express their voice in the handling of important issues which will come before the directors at that time.

The meeting is scheduled for next Tuesday, 8 p. m., in Room 105, Acalanes High School.

'HIT THE TARGET' IS THE ADVICE of Leighton MacGregor (left), president-elect of Orinda Rotary Club, to these three hopeful lads practicing for tomorrow's Second Annual Rotary Field Day for the school children of Orinda. Left to right, the boys are Norman "Mac" Waddell, Tim Carter. The big event at Orinda School grounds starts at 10 a.m. —SUN Photo by Mattson

Oak Springs Pool To Open on May 18

The Oak Springs pool will be opened to all accredited members on Sunday, May 18.

Construction of the new sun deck has delayed the opening date for one week from the original date of May 11.

About our happy Country Folks

By EDITH BOLMAN

RETURN OF THE NATIVES! The Don Parle Whites are home again after a month in the Hawaiian Islands covering such places as Hana, Mauii, Kona, Hilo and of course Honolulu.

The F. J. Lathers have also returned from a visit to Tokyo, Yokohama, Kyoto (where the countryside was beautiful and the cloisonnee fabrication fascination to watch), Kobe, Hong Kong (overly crowded with Chinese refugees) and Manila (where inflation is even more inflated than what we seem to think is going on around here).

The Robert Raskobs are home again from an unusual drive in Mexico — unusual because they have been there several times before so they took in some out of the way spots. Patzcuara, for instance, where the picturesque butterfly fishing is done in the early morning from canoes. The nets are folded in such a way that they baloon out and take on the shape of butterflies as they are cast onto the water.

Quauato is an historical mining center where one of the great battles for freedom took place, and the brave Indian who played such an important part in the insurrection is commemorated for posterity by the collosal monument of vari-colored stone which dominates the town. Valenciano is a cathedral built by the poor miner who found one of the richest silver mines in the world in answer to his prayers, hence the cathedral built in gratitude.

Keith Enders and Al Winslow are back home again from Ostrander Lake in Yosemite, where they went from Badger Pass — picturesque, we hear tell. Swiss yodeling et-al. Al Winslow, incidentally, is preparing to go to Stockholm where he will study architecture, sculpter and landscape design.

Peter St. Hill back from an initiation hike to Mt. Tamalpais, where he was elected to the Red Arrow honorary of the Boy Scouts.

NATIVES PREPARING TO LEAVE TOWN! Jeanne St. Hill (home suffering reactions from pre-European shots) and Joan Jacobus and Marian Scofield are getting ready to go on the Eur Cal Tour (finangled with and by the University of California for the students).

They will visit 14 countries and make it from one to the other by bus — a British model chartered for the occasion. Thirty altogether — Eds and co-eds, so they should have some good stories for us when they get home next fall.

Mr. and Mrs. Frank Dunn are preparing to leave town for the weekend for Pogo Nip at Pase Tiempo or Pase Tiempo at Pogo Nip — we are not sure which and by the time they finished explaining it and spelling it for us we were very sorry we had brought the subject up in the first place. Anyway, Mr. and Mrs. Charles Stout are having weekend guests at the aformentioned, and on the off chance that you might think it sounds like someplace in or near Africa you may be reassured to discover it is adjacent to Santa Cruz.

THE JACK J. CARLSONS have moved away permanently! They bought a house on Richardson Way in Piedmont, gathered up their four young ones (including brand new baby Jay) and off they went.

To replace them, the Timothy Colvins and two small scamps (one may be a scampette, we are not quite sure) have just moved into their new home in Sleepy Hollow.

Also, Mr. and Mrs. Emerson Wiser from Berkeley have moved into their new home in Oak Springs.

DO YOU KNOW WHAT YOUR SENATOR is up to? How your President gets elected — how the Electoral College functions — and who does what and how in order to nominate a candidate?

If you know all the answers, you are an exception. The rest of us are going to the Community Church next Thursday at 1 p. m. to hear Mrs. Jean Fuller explain the mysteries. So, housewives, get your heads out of the cookbooks for a change and start learning about the facts of government, because pretty soon you are going to be a part of one of the most important moments in history.

Grown up politicians had better take heed from the Acalanes variety. They have committee meetings to plan campaigns for various candidates for Student Body officers, and guess what — cakes and punch, too. From what we hear, the fond parents get so excited that if they run out of cookies during the meeting they scamper into the kitchen and make some more. Everybody wants to be sure the candidates don't lay down on the job — no recumbent incumbents for Acalanes.

HAVE YOU EVER SEEN A HOME with all of the comfortable features necessary for modern living warmly blended with the patina of old woods, antiques from two generations, and tied together superbly with flowers, vines and lawns? Unless you keep your mind to it, you don't know whether you are outside or inside, and it doesn't make any difference because one flows into the other scarcely letting you know that there are walls and doors.

"Harvest," the home of Mr. and Mrs. Mark Noble in Sleepy Hollow, is a bit of old New England successfully transplanted. The house itself is a compact arrangement of rooms opening onto a small and charming garden from a central corridor which we would call the "garden room." The garden room is the family living area, where it is possible to sit comfortably by a fireplace and toast your toes. At the same time you can feast your spirit with glimpses of graceful greens in impressive ironwood pieces against a background of red brick.

At the other end is a corner for a cozy meal served on a softly colored green-leaf table, so placed that you can gaze at the creamy white clematis and wistreia — or if you lean toward the more sprightly you may watch the birds, which eat a pound of seed a week from the bird feeder hanging in the tree. Around a corner in this same garden room is a telephone area — a comfortable couch of flowered material, a table with ash trays of milk glass trivets, and more of the exquisite ironwood brimming with flowers of coral pinks, white against mellow greens and various yellows.

Special features which captivated us: the wrought iron and marble Victorian table in the garden room, the old Chinese screen, inlaid games table and Belgian metal lamp in the living room; the surprise factor of the ornate black Jacobean dining room set silhoutted against the clear laciness of ferns and wall paper in the dining room; a kitchen which could inspire even us to cook (an even more amazing surprise factor); the flower arranging and/or breakfast room, well stocked with effective containers, particularly one copper and carved pewter tea pot; the Victorian sofa, piano stool dressing table seat, and cunning Victorian rocker in the bedroom are upholstered in guess what — linen damask table clothes dyed a coral, raspberry, tangarine shade (our color description, most certainly no one else's) and over the entire house the use of dominant color combined with intense white.

And to think that you can see this lovely home, and the three others about which we have been and will continue telling you (Walter Boysens', Frank Houses' and the Joseph Long gardens) all for $1.50 on Tuesday, May 27. The Santa Clauses who make this possible are the members of the Orinda Branch of the Children's Hospital of the East Bay — well, no — the real Santa Clauses are the generous aforementioned hostesses who are opening their homes and gardens so that you can lift your spirits on a beautiful country day, enjoying the results of other people's planning and love of beauty. The recipients of the money benefit, of course, are the children who need extra aid. For tickets, call Mrs. Robert K. Smith at Orinda 8268.

AND FROM THE SUBLIME TO — ABSURDIA IN SUBURBIA. That early morning episode of Jean Henderson's skit, "Whistler's Mother," wherein she makes a frenzied lurch for the coffee pot and then wildly slaps the peanut butter onto the kids' lunch sandwiches almost finished us off for the evening.

The two announcing songbirds, Jesse Swift and Marion Brown, forewarned every one of what was coming with musical humor, and in good voice. We were astounded to learn all of those things about Mr. Blalock — a good half of it we had previously suspected. Also, it is fascinating to watch people doing the can-can, ballet and pokes skits, whom you have known previously only by observing their preoccupied, absent-minded rushes through the local grocery stores.

Cheers to the dears who hauled us out of something we should never have gotten ourselves into in the first place. Showing a visiting fire-lady the sights, we were happily driving along not looking where we were going and consequently submerged our front right wheel into something casually referred to in this area by the overall and misleading term "Roadwork."

Our obedient little auto bus would go neither forwards nor backwards but just stayed there and whirled its wheels at us in frustrated effort.

Finally came a friend who spent the next three-quarters of an hour on his hands and knees in the mud with a plank which sank, a wheel which squealed and two wimmin who were brimmin with suggestions but didn't raise a hand to help — all of which proves a point about Orinda living —

You don't fall into ditches in the city;
In the country there are people filled with pity
Who will help when you're in need
And reactivate your steed,
Thanks to Douglass Day, the-who-done-ity.
That is all.

Nursery School's Dance on May 17

We'll be seeing you at the dance Saturday night, May 17

What dance? Of Course, we're referring to the Orinda Nursery School dance, its Annual Spring Informal, to be held at Diablo Country Club. It is a dinner-dance, and Gordon Heche and Orchestra are supplying the music.

Tickets are $5 apiece, or $10 a couple. Call Mrs. Miles Sutliffe, dance chairman, as she has a few tickets left. Proceeds will go into the building fund for the new nursery school to be erected on the Moraga side of Orinda to house Moraga as well as Lafayette children.

Cocktails start at 7. Dinner will be served from 8:30 to 10. Dancing will start at 9 and last until 1.

Another highlight of the evening will be the awarding of prizes.

Jean Fuller to Speak at G.O.P. Meet on Thursday

A well informed citizen is an intelligent voter. Do you know how the President of the United States is elected? How a national convention is conducted? The duties of your senators and congressman?

Thursday at 10 a.m. at Orinda Community Church social hall, Mrs. Jean Fuller, president of the California Council of Republican Women, will give the answers to these and other questions at a meeting of the Orinda Republican Women's Club.

Mrs. Fuller has been a member of the Los Angeles County Republican Central Committee since 1944 and the State Central Committee since 1947. She was a delegate to the National Republican Convention in 1948.

John Stoffel Jr. Joins Air Force

John L. Stoffel Jr., son of Mr. and Mrs. John Stoffel of 12 Richard Court, has enlisted tin the Air Force and is now stationed at Parks Air Base for basic training according to Master Sergeant Bailey of the Walnut Creek Recruiting Station.

John is 18 years old and will have to wait until September, when he will reach 19, to qualify for aviation cadet training.

Mrs. Porter Hostess To Sorority Group

First gathering of Orinda Delphians for purely social reasons was held recently when 16 Chi Lambda members met for luncheon at the Orchard Road home of Mrs. Mervyn H. Porter.

Mrs. Porter was hostess to Mesdames Walter R. Barnett, Randell Cook, Joseph A. DeMaria, Karl E. Fitch, Frank S. Pierce, Robert J. Powell, Gordon D. Pray, Roy Lee Price, Kenneth K. Renwick, Wesley J. Smith, Alan Waddell, W. C. Witter, George Young, Ida Zamloch and Jess E. Rauch.

2 Orinda Musicians In Symphony Group

Two young musicians from Orinda are members of the Young People's Symphony Orchestra, which will be presented in its annual spring concert Sunday, 3 p.m., in Oakland Auditorium Theater.

They are Robert Eberhart, violinist, and Anne Kalbfleisch, cellist.

Under direction of Jessica Marcelli, the Young People's Symphony Orchestra concert will be a special Mother's Day event. It will climax the 12th season of the organization. Guest soloist will be James Prentice, young East Bay violinist, who will perform Max Bruch's Concerto No. 1 in G minor for violin and Orchestra.

Hubach, Vurek Get Reed Scholarships

Two Acalanes Union High School seniors, Richard Hubach and Gerald Vurek, have been awarded $250 scholarships to Reed College, at Portland, Ore., Robert W. Canon, director of admissions, announced this week.

Hubach is the son of Mr. and Mrs. C. E. Hubach of 2321 Tice Valley Boulevard, Walnut Creek. Vurek is the son of Mr. and Mrs. George Vurek of 24 Vallecito Lane, Orinda. They will enter Reed next fall.

DON'T DESTROY ROAD SIGNS

No citizen who has any consideration for his own safety or the safety of motorists will deface or destroy road signs, declares the National Automobile Club. These signs cannot fulfill their valuable function if they are defaced or destroyed.

LEGAL NOTICE

NOTICE OF CONSIDERATION OF APPLICATION FOR A LAND USE PERMIT BY THE CONTRA COSTA COUNTY PLANNING COMMISSION UNDER PROVISIONS OF ORDINANCE NO. 382

NOTICE IS HEREBY GIVEN that the Contra Costa County Planning Commission will give consideration to the application of James A. Leppard for a use permit.

Dated: April 18, 1952.

EDGAR B. STEWART
Administrator of the estate of the above named decedent.

O-213, Orinda Sun, April 25, May 2, 9.

Songs, Skits, Dances, SRO—'Absurdia' Goes Over, Artistically, Financially

By HELEN BROWN

The third production of "Absurdia in Suburbia" by the Orinda Mothers Club last Friday and Saturday nights really hit the jackpot, both artistically and financially.

The whole show was marvelous for all members of the family, by far the best that has ever been staged for Orindans by Orindans. The SRO sign went up at Acalanes Friday night, with some 200 persons standing in the auditorium, and there were very few vacant seats Saturday night.

Beautifully staged, brilliantly costumed, smoothly running, well-acted, the revue was a tremendous credit to all who had any part in it. As amateurs, the cast did a professional job.

SPECIAL CREDIT should be given Fred Udall for the catchy music for "If It Werent' for Father," "Fun, Fun, Fun," "Girl in the Polka Dot Dress" and "Romance Is Near." And in his sketch on "Gloria Slobnik" he proved his acting ability.

Ed O'Brien, who directed the show, deserves mention for his fine work with the skits, particularly the cigar-smoking, poke-playing girls, who play "Cards Like Guys."

Another hit of the show was the wrestling match between Gorgeous Jeffrey and the Sultan of Orindustani, player by Jaspar Allara ,for the "Championship of the World."

THE PRECISION of the Can-Can chorus reminded one of the Rockettes in the Frontier Daze skit, but oh ,those can-can boys!

For sheer beauty, the dancers in the "Romance" waltz should not be forgotten, nor the three "Polka Dot Girls."

Some of the audience is probably still debating whether Tom and Flo Pauli were actually singing their duets, but they were a hit in their pantomime numbers .

Jean Henderson was delightful in her imitation of "Whistler's Mother," but it should be noted that all mothers don't spend their days as she did.

THE TELEVISION skit, the doctor skit, the "Pearly Gates' number, the political satire on Truman's dreams and the troubles of Joseph Sheaff were all full of laughs.

The 50-voice men's and women's chorus added depth to the opening song number, and the new "Orinda" song by John Ogden and the finale, "Down South America."

The dancers in the South American finale were graceful and brightly costumed, but the best of the group were Maudie Hammond and the Momba dancers, Helena and Charles Gibbs, Jack and Jean Barkley.

SOLOISTS Julia Hesse, Ethel Wasson, Joe Downs, Ruth Gilwee, all did their bit to add to the success of the show.

Last of all, but by no means least important, were Jean Downs, general chairman, and Joseph Downs, who did much of the writing of "Absurdia in Suburbia III."

We would like to mention the name of everyone in the cast who helped backstage or behind the scenes, but the lack of space prohibits that. From our hearts and the Orinda Mothers Club comes a great thank you for supporting us by enjoying our show.

Nursery School Plans, Song to Highlight Meet

Next Wednesday night promises to be a big night at the monthly Orinda Nursery School meeting to be held at 8 p.m. in the Orinda Community Church.

There will be election of new officers, along with last-minute news on the May 17 dance.

Highlight of the evening will be singing by the "Bag-ettes," that well-known local trio who sang for "Absurdia" this year as well as last. The group is composed of Marion Brown, Molly Nelson and Jessie Swift.

Jean Rice is refreshment chairman, and her committee is composed entirely of Lafayette girls.

Celia Kleyn-Schoorel, prize chairman, would like all members to bring their money to the meeting. Jane York, dance ticket chairman, is equally interested in dance ticket money being mailed to her at 4 Santa Lucia Road, Orinda.

Mrs. J. W. Moylan's Father Dies In S. F.

Glen E. Collins of San Francisco, father of Mrs. J. W. Moylan of 22 El Gavilan, died April 21 at Southern Pacific Hospital in San Francisco.

Collins was former manager of Southern Pacific ferries in San Francisco and assistant director of public relations for the Pacific Electric Railway Company in Los Angeles. Services were held April 23 at the Little Chapel of the Flowers in Berkeley.

Randolph Miller Preaches Sunday At St. Stephen's

Randolph Miller will preach the Mother's Day sermon on "Christian Parents, 1952" on Sunday at St. Stephen's Episcopal Church.

Miller will leave June 30 to take up his new position as professor of Christian Education on the Luther A. Weigle Fund at Yale University. The young people of St. Stephens' will remember Miller as guest speaker for Y.P.S. last fall, when he conducted a forum on youth problems.

Last Sunday evening after services members of the choir and their families met at the home of Mr. and Mrs. Keene Pettengill for a farewell supper for Mr. and Mrs. George Day, who are flying to New York.

Meeting Tuesday night was the full Building Committee, comprising president and chairman of each group—the Women's Auxiliary, Music Department, Finance Committee and Altar Guild. Plans for the new church were approved.

These plans had already been approved by Bishop Block. The architect, Arnold Constable, was directed to proceed with working drawings.

On Wednesday, Mrs. William Maddock, in charge of the May Benefit, entertained for Mrs. Ada B. Whealen. Members of the properties committee met with Mrs. Whealen, who is to do her mono-drama on the life of Jessie Benton Fremont the night of May 23 at the Orinda School, to plan backgrounds and work out last details.

Business was followed by luncheon at the Country Club, attended by Mrs. Charles Gibbs, Mrs. Kenneth Renwick, Mrs. William Maddock and Mrs. William A. Sparling.

BECAUSE

These two men are called on to be more than business men. They help guard the health of the community. They are often called any hour of the day or night to fill an emergency prescription. They take a personal interest in your health and the welfare of the community.

AND BECAUSE

These two have rarely missed one week advertising in the SUN. They know it is important to tell their message each week to their customers. And we, in turn, are appreciative of the support they give this newspaper.

A Message To Our Business Firms

Bankers Advise Advertising

Merchants who do not advertise are invited to read the following from the American Bankers Magazine, as it might give them a new slant on business, your own business, as well as the matter of building up your town.

"No business man in any town should allow a newspaper published in his town to go without his name and business being mentioned somewhere in its columns. This does not mean you should have a whole, half or even a quarter page ad in each issue of the paper, but your name and business should be mentioned, if you do not use more than a 2-line space. A stranger picking up a newspaper should be able to tell what business is represented in a town by looking at the paper. This is the best possible town advertiser. The man who does not advertise his business does an injustice to himself and the town. The man who insists on sharing the business that comes to town, but refuses to advertise his own is not a valuable addition to any town. The life of a town depends on the live, wide-awake and liberal advertising business men."

Miss Tomlinson Wed to S.F. Man

Anidelle Mae Tomlinson, daughter of Mr. and Mrs. James M. Tomlinson of 52 Brookwood Road, and Robert Dean Hershenow of San Francisco were married at a 4 o'clock ceremony Saturday afternoon in the chapel of the First Congregational Church in Berkeley. The Rev. Vere V. Loper officiated.

A reception followed at the Berkeley Women's City Club.

James M. Tomlinson escorted his daughter to the altar. The bride wore a ballerina length white dotted Swiss gown with short sleeves and an oval neckline. Her shoulder length veil was held to her coiffure with a cluster of daisies at either side. She carried daisies.

Her only attendant was Anne Glidden, dressed in dark green dotted Swiss and carrying yellow daisies and tulips. She wore daisies in her hair.

Best man was Noel Kelly. Ushers were Max Hershenow, brother of the groom and Jack Curley and Dave Martin, fraternity brothers of the groom.

The young couple are both 1951 class members at the University of California.

After a wedding trip they will live in Berkeley until fall, when they will move to Walnut Creek.

Mothers Club Board To Meet

The executive board of the Orinda Mothers Club will hold its monthly meeting on Wednesday, 1:30 p. m. at the home of Mrs. Jack Moylan, 22 El Gavilan, according to Mrs. Robert Bigler, president.

A final report on the financial success of "Absurdia in Suburbia" will be given by Jean Downs, chairman of the project.

Over $3000 has been received from the variety show, but costumes, director's fee and other costs have yet to be deducted from the total. Mrs. Downs wishes especially to thank all the members of the cast and show assistants who helped to make "Absurdia III" such a great success.

Plans for the general meeting and election of officers on Tuesday, May 20, will be discussed.

Hometown merchants are not only local businessmen — they're your neighbors.

Old, New Boards Of St. Stephen's Auxiliary Meet

Both the outgoing and incoming boards of Women's Auxiliary of St. Stephen's Episcopal Church met at the home of the new president, Mrs. Arthur Johnson, yesterday morning. Work was turned over to the new officers.

Plans for the supper for the Rev. Titus, who comes May 18 to conduct services and meet the Orinda congregation, at the Bishops request, were completed. It is planned to show colored slides of the new church building and floor plans at that event.

Mrs. Johnson announced the following appointments: Ways and means chairman, Mrs. Kenneth Dettling; hospitality, Mrs. William Spaght; publicity, Mrs. Kenneth Renwick, and visiting committee, Mrs. Harold Doane and Mrs. T. E. Haley.

Business out of the way, the members enjoyed a delicious luncheon and a social hour.

H. S. Mothers Tea For Eighth Grade Mothers Monday

Orinda High School Mothers Club will have its annual welcoming tea for eighth grade mothers Monday at 12:30 p. m. at the home of Mrs. E. G. Tilton of 65 Irvine Drive.

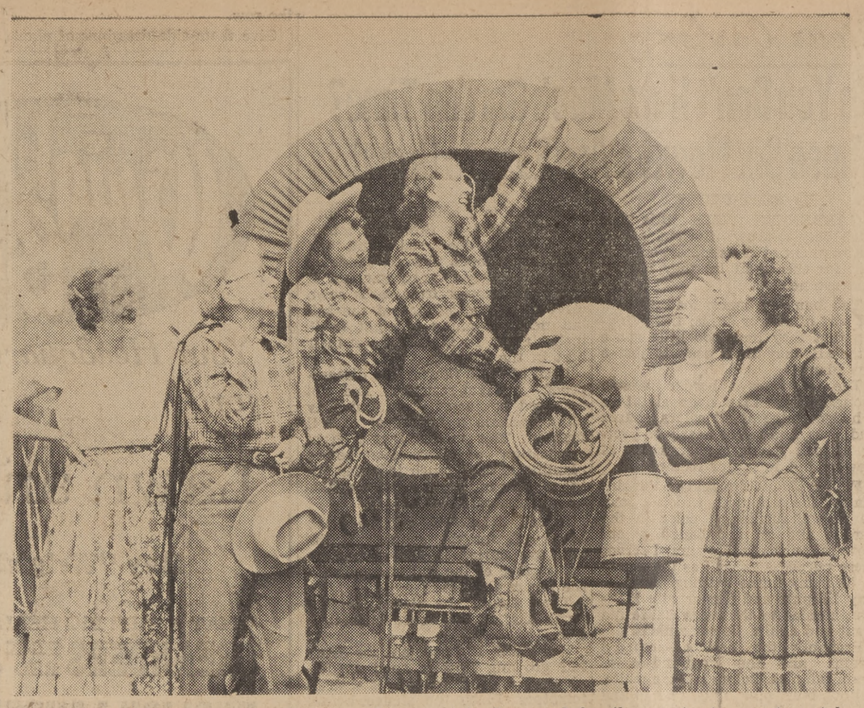
Principal Stanley Walgren of Actlanes High School and Lily Lahti, dean of girls, will welcome the incoming officers.

Incoming officers are Mrs. Robert Galbraith, president; Mrs. Nathan Gray, vice-president; Mrs. P. F. Kops, program chairman; Mrs. C. M. Johnson, treasurer; Mrs. Robert Muse, corresponding secretary, and Mrs. James Tomlinson, recording secretary. Card, tea and publicity chairmen will be announced in the fall.

Outgoing officers are Mrs. Sig Groennings, Mrs. George Vurek, Mrs. Robert Muse, Mrs. B. E. Monroe, Mrs. Stanley Hudd, Mrs. James Tomlinson and Mrs. George Neldam. Mrs. Muse and Mrs. Tomlinson retain their chairmanships.

May Day Luncheon

Alpha Omega alumnae held a May Day luncheon at the home of Mrs. William Penn Mott Jr. of 62 Ardilla Road, last week. Mrs. Ralph B. Baggett, president of the Handicapped and Crippled Children's Guild of Alameda County, was guest speaker.



FRONTIER FROLIC is what it'll be, pardners, when the Tanagers and Orioles give their joint spring party at Castle Rock Park May 24 for the benefit of Mt. Diablo Therapy Center. Here are some of the members of the two groups getting into the mood for the event, at a western-style chuck wagon at El Nido. Left to right are Mesdames Dan Carter, William Witter, Bud Coburn, William Gilman, Carl Wellington Smith and Ted Harrer. —SUN photo by Mattson

Seafarer Cruise 'Sails' to Samoa

The Seafarers had a most enjoyable cruise last Friday evening to the "port" of the Dr. Murray Groves. About 21 can vouch for the delicious refreshments served by the hostess, assisted by Mrs. Chester Brown, the fine social time and a most interesting and humorous talk by Mrs. Verna Ramsey on her memorable stay in the Samoan Islands when her son was a Navy officer there.

Mrs. Ramsey made her listeners see the life on board the ship from Honolulu, the sight of porpoises and flying fish, the first glimpses of the Samoan Islands rimmed with a surf that looked like white lace ruffling, the entrance to a bay of incredible blue through a veritable "Golden Gate," the sight of waterfalls, virgin forests and turquoise mountains.

Mrs. Ramsey made friends with the natives. She saw the men here prepare the meals, work on their boats, fish and gather native foods, and the women making mats, tapa cloth, stringing beads and shells, their flower "eulas" all wear about their necks and their "lavalavas" or skirts.

She visited the leper colony and heard many thank-yous from the patients in the hospital for the seed catalogues, seeds and funny papers she had sent them in the past. About the hospital buildings and huts the lepers had marvelous flower gardens. Another interesting trip was to the Robert L. Stevenson shrine.

Attendants at Berkeley Nuptials

Mrs. William I. Biggerstaff of Orinda was matron of honor at the recent wedding of Nancy Clapham and Glen Tinsley Noyes of Berkeley at St. Paul's Episcopal Church in Berkeley.

Among the ushers was Richard P. Kendall of Orinda.

An Invitation – Meet Candidates

An open invitation is extended to ever Orinda area resident to meet their candidates for State Senator, 6th Congressional District and the 10th Assembly District at "Meet Your Candidates Night" sponsored by the Orinda Young Republicans.

The meeting will be held at the Orinda Grammar School Tuesday, May 20, at 8 p.m. Admission free.

Plans for the event are being made by John Hull, program chairman, and Ned De Laveaga, co-chairman; Dorothy Bentley, programs; Wayne Bentley, parking; Betty Irwin and Frances Neuenschwander, ushers; Hal Arnot, membership table; Dene Arnot, publicity, and Mary Ella Unnevehr, telephone committee.

Following an open question period, the candidates will receive guests in the lobby for an informal discussion period.

In Cincinnati for Chemical Meeting

F. M. McMillan of 8 Hall Drive and T. F. Mika of 10 Meadow Park Court, scientists at Shell Development Company, were in Cincinnati this week attending the annual meeting of the American Chemical Society's Division of Rubber Chemistry.

Mika has recently been promoted to supervisor in the research department of the company.

All's Set for Frontier Frolic For Therapy Aid

Final arrangements have been made for the Frontier Frolic the big barbecue-dance on Saturday evening, May 24, at Castle Rock Park.

Oriole and Tanager committee chairmen Mrs. D. C. Peacock Jr., Mrs. W. J. Gilman and Mrs. William Witter, promise a most enjoyable evening of food, fun and fandango for you—and funds for the benefit of the Mt. Diablo Therapy Center.

In charge of food fo rthe occasion are Mrs. C. R. Anderson and Mrs. B. B. Seims. Mouth-watering barbecued prime ribs with a full-course dinner are on the menu.

Decorations, frontier-style, with lantern light and checkered tablecloths, have been planned and produced by Mrs. Dan Carter and Mrs. Carl Wellington Smith and their committee.

The games committee, chairmaned by Mrs. Roy Stuart and Mrs. Robert Bigler, offers opportunity for all with a hind quarter grade A beef as a prize.

Publicity is being handled by Mrs. William Thurlow and Mrs. Richard DeKay, who ask you to tell your friends of this evening you won't want them to miss.

Program Chairmen Mrs. Kenneth Stringer and Mrs. Charles Coburn announce colorful and varied entertainment, including swimming, dancing, singing, bonfires and a marksmanship exhibition.

Refreshments, to be available to satisfy all tastes and capacities are planned under the direction of Mrs. Truman Floyd and Mrs. Alan Waddel.

Finance Chairmen Mrs. Donald Krotz and Mrs. Thomas B. Moore remind you of the objective of the Frontier Forlic—funds for the benefit of the Mt. Diablo Therapy Center.

Tickets are available from Ticket Chairmen Mrs. W. R. Arends, Orinda 2481, and Mrs. Berton Kohler, Orinda 8381, who guarantee double your money's worth of food, fun and fandango.

See you there—Saturday, May 24, Frontier Frolic!

Annual Guild Lunch Is Set for June 3

On June 3 the Womens' Guild of Orinda Community Church will have its annual June luncheon, this time in Fellowship Hall of the church.

Tickets cost $2 and may be purchased from section chairmen of Ways and Means—Mrs. G. Tinkham, Orinda 6401; Mrs. Challis Gore, Orinda 2554; Mrs. O. S. Jones, Orinda 2877, or Mrs. W. E. Wayne, Orinda 8576.

Guild Section 1 To Meet Tuesday

Section 1 of the Women's Guild will meet Tuesday at the home of Mrs. Ben Randall, 6 Valley View Drive, at 12:30.

Mrs. Verna Ramsey will give the devotions and Mrs. Clara Snyder of Berkeley will talk on her European travels.

Bridge Sections Meet Next Week

Bridge players of the Orinda Mothers Club will hold their regular bridge section meetings next week, according to Doris Moylan, chairman of the sections.

The Thursday morning group will play on May 15 at the home of Vivian Porter, 85 Orchard Road.

The Friday morning bridge section will play at the home of Marion Devlin, Jonas Hill Road, off Moraga Highway, on May 16.

The Friday afternoon section will meet at the home of Eleanor Haefele, 32 Hillcrest Drive, on May 16.

Advisory Committee of Nursery School Meets

First meeting of the financial advisory committee of the Orinda Nursery School Association took place at the Charles Lohse home Tuesday night. Function of this newly formed committee is to advise the Nursery School on financial matters.

The newly appointed members include Thomas Ferguson, Stanley Allen, E. J. Unruh, Robert Kleyn-Schoorel, Frank Brush, Charles Lohse and Dr. James Seaman.

Guild Rummage Sale Nets $800

The Women's Guild Rummage Sale on April 28 and 29 was a big success from many standpoints.

Not only did it net about $800 for the Guild's treasury but, because of the many contributions, generous amounts of clothing were given near the close of the sale to the Friends' Service, the Korean Relief, the Oakland Child Clothing Relief Center in the East Oakland Franklin School, and also to the bundles sent monthly by the Guilds Philanthropic Committee headed by Mrs. Jesse McMillan, for both foreign and domestice relief, and to a local family who were burned out in a devastating fire.

The Guild's thanks go to all the generous contributors to the sale and to the many members who worked hard for its success.

Happy Birthday to You

BOBBY MATEY

Bobby Matey celebrated her fifth birthday April 2 with a luncheon party at her home, followed by games. Present were Laurie Hupp, Peter Wright, Joan Davisson, Dickie Swift, Cricket Prentice, Shawna Miller and Sally Wright.

CINDY RASMUSSEN

An Easter theme was used for Cindy Rasmussen's 10th birthday April 5. Present for luncheon and games were Bobby Butcher, Patty Brown, Caroline Cullen, Dale Garrison, Joan Borden, Cheri Elder, Janice Twining, Carole March, Jane Lowman, Susan Jensen, Susan Kisner, Sandra Thurston, Joanne Morris, Gail Fisk and Nancy St. Clair.

WENDY MAEHLER

A princess party with a pink crown birthday cake and gold crowns for her guests celebrated Wendy Maehler's seventh birthday on March 31 at her home. Enjoying the afternoon of dress-up games and treasure chest hunt were Sharon Gates, Susan Richarz, Karen Pedersen, Janie Richarz, Roni Rasmussen, Pauline Kingham, Cherie Messersmith, Leslie Leebrick, Laura Nilmeier, Bobby Jean McClanahan, Tony Richarz and Wendy's sister, Lorie Maehler.

JERRY KIRBY

His fifth birthday on April 3 was the occasion for an after-school party for Jerry Kirby at his home. Joining him for ice cream and cake and games were Judy Kronke, Bobby Conroy, Janet Jones, Billy Cooper, Peter Boyle, Bobby MacFarland and Billy Von Hefner.

SCOTT LIEBER

Little Scott Lieber celebrated his second birthday on March 6 with a family birthday dinner and birthday cake at his home. He is the son of the Irving L. Liebers.

KAREN FERNSTEN

Karen Fernsten celebrated her ninth birthday April 5 by inviting her friends to her home for cake and ice cream and then taking them to the Fun House at the beach in San Francisco. Present were Wendy Shuey, Susan Libbey, Lynn Harsha, Linda Rivers, Susan Kronke, Jan Miller and Karen's sister, Susan Fernsten.

VICKI SUZANNE INDIG

When Vicki Suzanne Indig was eight years old on April 5, her friends went with her to the movies in Walnut Creek, and then went back to her house for games and refreshments. With Vicki were Rozlynn Starkman, Nelle Neighbor, Linda Bargones, Adele Stickney, Kathleen Baldwin, Marion Oakley, Marsha Nicolet, Carole Barnett, Mary Morrhead, Helen Moylan, Sharon Swedburg, Katherine Cline, Bonnie Willis, Joan Eberhart, Carole Jane Harmon and Ann Laurenson.

DAVID KING

David King celebrated his seventh birthday April 12 with a circus party at his home which also included movies. Enjoying party refreshments with David were Michael Honnold, Bobby Blue, Teddy Schilling, Stephen Dunlap, Billy Cooper, Johnny Cooper, Teddy Howard, Kip Farrington, Timmy Crawl, Billy Caldwell, Ralph Read, and David's brother, Paul King.

SUSAN FERNSTEN

Celebrating her seventh birthday on April 12 was Susan Fernsten, who invited her friends to her home for pony rides, games and refreshments. Among those present were Shelley Lawrence, Kim Goesch, Bonnie Fernsten, Nancy Baker, Pamela Chappel, Sharon Gates, Kathryn Gregg, Susanne Herrer, Thea Jensen, Kathie Jones, Pauline Kingman, Leslie Leebrock, Sherry Libbey, Wendy Maehler, Sheri Messersmith, Barbara Nevin, Laura Nilmeier, Janice Schneider, Ronnie Rasmussen, Nita Wheeler and Julie Winkworth.

LYNN HARSHA

An Easter egg roll and treasure hunt carried out the Easter theme for Lynn Harsha's ninth birthday on April 12. Present were Lonnie Anderson, Karen Fernsten, Leslie Sellers, Diane Hill, Karen Houser, Wendy Shuey, Virginia Harper, Sally Cary, Pamela Braly, Lynn Drysdale and Jan Miller.

PAMELA BRALY

Rain was no deterrent to Pamela Braly's ninth birthday on Easter Sunday, April 13. Her scheduled patio luncheon and Easter egg hunt outdoors were moved inside for her friends and family. Invited were Lnn Anderson, Lynn Harsha, Jane Hilmer, Jan Miller, Karen Houser, Leslie Sellers, Myra Williams, Karen Fernsten and Sally Cary.

SUSAN KRONKE

On her ninth birthday April 8, Susan Kronke invited her friends for ice cream and cake at her home and then took them to see "Snow White and the Seven Dwarfs" in Oakland. With her were Joan Radonich, Claire Clanciarulo, Karen Fernsten, Linda Shirey and Susan's sisters, Linda and Judy Kronke.

SUSAN FREEDMAN

When Susan Freedman was 11 years old April 12, her friends had luncheon at her home and then went to the movies in Lafayette. With Susan were Sally Johnson, Joey Tuttle, Christine Romaine, Linda Lou McMacken, Libby Baloche and Judith Henderson.

STEVIE MILLER

Steve Miller celebrated his eighth birthday with a barbecue party at his home on April 12. After luncheon the boys went into Oakland to see the movie "Jack and the Beanstalk." With him were Grigg DeWitt, Chris Felchen, Billy Schwarck, Ricki Collins, Ricki Kendall, Billy Young, Dick Sutliffe, Roger Howard, Larry Hunn and Jess Shurtleff.

BETTY LOU LEIBOLD

A party of 21 of her friends marked Betty Lou Leibold's sixth birthday on April 19. Enjoying refreshments and games at her home were Linda Shirey, Toni Ayres, Ann Waters, Barbara Oesterreicher, Sheila Oesterreicher, Kathleen Halloran, Kathryn Fairleigh, Carole Mansomen, Charon Mall, Joanne Derrickx, Betty Tramberg, Diane Tice, Linda Switzer, Laura Winther and Susan Gowell.

Orinda Residents Endorse School Board Incumbents

The following Orinda residents endorse the candidacy of Anthony R. Cianciarulo and Catherine Schwarck, Incumbents, for Orinda School District Board of Trustees, and urge their election.

The election will be held Friday, May 16, from 7:00 a.m. to 7:00 p.m. Orinda School is the polling place for all Orinda precincts.

'Christ in Home' Covenant Sermon

The Lafayette Covenant Church will observe Mother's Day Sunday with the pastor, Rev. J. S. Peterson, taking as his morning subject, "Christ In the Home." The Intermediate girls will give flowers to the mothers in the church, and there will be special music suitable to the occasion.

At the evening service, the pastor will speak on the subject, "Fools for Christ's Sake," basing his sermon on the statement of Paul the Apostle, in I Cor. 4:10.

The church is planning a work day tomorrow, when members spend the entire day at the church house-cleaning, painting, trimming lawns and planting shrubbery. A potluck dinner will be served at noon.

A special feature next Thursday, 8 p.m., will be the showing of the film, "Hidden Treasures," a Moody Institute of Science production which pictures some of the amazing secrets of nature, particularly minute flowers and animal life of the sea, the fascinating world of crystalization, as well as the fabulous island universes that can be seen through the huge 200-inch lens of the Mt. Palomar telescope.

Methodist Church Special Program For Mother's Day

Mother's Day will be observed Sunday at Lafayette Community Methodist Church.

"On this day when each of us is realizing the supreme importance and worth of the children, and when we realize the time that they are with mother, we all understand the great influence that mothers play upon the society of today and the society that is to be," say the pastors, Bishop George A. Miller and Rev. Harry E. Shaner.

Sunday will also be Loyalty Sunday at the church. Members and friends will be invited to estimate their giving for the coming year. The church year closes May 31, and the new church year begins June 1.

Clarence Thorne, chairman of the finance committee, will present the matter to the congregation.

The High School Youth group will meet at 6:45 p.m. Sunday, and the Older Youth group at 7:30.

Playshop Opus Adds Performance

Lafayette Playshops production of "Ladies in Retirement" will play two more Saturday nights at Lafayette Town Hall—tomorrow and May 17. The May 17 performance has been added to the original schedule because of public demand created by the unusual success of this 19th Century thriller.

Shirley Castro of Walnut Creek, as Ellen Creed, succeeds in holding audiences in suspense for many a thrilling moment, while Naida Hickox of Orinda continues to delight them with her bewitching portrayal of Louisa.

Lafayette is proud to contribute to the cast Thais Ackerman, who is doing a beautiful job of Emily. Edith Lynn as the too-trusting soul Leonora Fiske, Marylyn Hansen the provocative Lucy who wastes her talent on Jack Holder, and Holder as Albert Feather are convincing.

Completing the cast, Sharon Dovik of Walnut Creek is Sister Theresa, serene and pink cheeked in the midst of all the evil that surrounds her.

Reviews of this play have attributed much of its success to the professional direction of Robert Hudson, the fine set and lighting by Bev Miles and Leroy Sowers, and, of course, the beautiful period costumes designed by Louise Welty.

The only criticism which Playshoppers felt a little crushed about was that directed at their dead bird. One reviewer said that it looked "stuffed." Little did he know that actually it was a little fur mitten with wings sewn on.

Yale Meyer Will Study in New York

Yale Meyer has resigned as director of the Drama Department at St. Mary's College to study at Theater Wing, a school in New York City for professional training in theater work.

During his six years at St. Mary's, Meyer has made the college little theater one of the outstanding experimental theater groups of this area.

Meyer, his wife, Audrey, and their two children, Gretchen, 3, and David, 7 months, who live at 3384 Ridge Road, will move from Lafayette the middle of June. They expect to be in New York a year.

'Handmaidens of The Lord' Topic Of Sunday Sermon

For his "Mother's Day" sermon topic, Pastor Luther Berven of Our Savior's Lutheran Church in Lafayette has chosen "Handmaidens of the Lord."

"Only one woman in history," says Pastor Berven, "was privileged to be the mother of the Son of God, the Savior of the world, but all mothers have been privileged to bring into the world a child just as precious in the sight of God as is His own Son, and all people are permitted to exert a certain amount of influence upon children.

"When Mary learned from the angel that she was to be the mother of the Christ-Child, her reply was, 'Behold, the handmaid of the Lord. What a tremendous blessing it would be for both mother and child if all mothers regarded themselves as 'handmaidens' of the Lord."

Identical services are held each Sunday at 8 and 11 a.m. The Sunday School hour begins at 9:30 a.m. A nursery is provided for the small children at the 11 a.m. service.

The Women of the Church will meet Tuesday evening at 8 p.m.

Your Garden

So You Don't Have Much Garden Time? These Six Flowers Are Easy to Grow!

By BERT WRIGHT

GARDENERS WITH little time need easy-to-grow flowers. Listed here are six of the simplest culture, and for the small lot they are all that are needed.

Too many gardeners load up with all sort of flower seeds; then, finding that they have too little space after all, they limit each to just a few plants.

The result is a border which, though better than none at all, is a hodge-podge of all colors, shapes and sizes, and is not nearly so pretty as one having fewer kinds of flowers but in larger masses.

FIRST CHOICE would be the zinnia for the ease with which it may be grown, furnishing color in the garden and an abundance of cut flowers for weeks. No annual serves these purposes as well as the zinnia in its many forms ranging from the tiny lilliputs and the artistic Mexican zinnias to the huge California giant and dahlia flower zinnias.

Probably the best all-around strains are the "cut-and-come-again" zinnias. Colors include white, yellow, buff, pink, rose, orange and crimson, with blossoms approximately three inches in diameter on stalks from two to two and a half feet high which require little staking.

PETUNIAS, especially the deep purple and red ones, and the pure white ones, serve admirably as a ground cover for bulb beds. Their spreading growth covers the dying foliage effectively.

Petunias may be startetd in a cold frame or sown directly in the garden, but should be thinned out. Where there is room for petunias to spread, the balcony petunias are preferred, since their long stems make them best for cutting.

SWEET ALYSSUM is another indispensable annual serving as a filler for odd spots and corners and as a continuous border the whole length of the flower bed. The seed is sown where it is to flower, scratched lightly into loose soil.

In less than six weeks the growing plants are in full, white bloom. Shearing the plants at 10-day intervals first on one side, then the other, will keep them in bloom all summer.

ANNUAL LARKSPUR, with its medium to tall spikes of pink, blue and white, fill the need for taller growing plants in the back of the flower bed and add the necessary areas of blue .

Larkspur do not transplant from flats easily, so it is best to sow them where they are to grow very early in the spring, thinning the plants to three or four inches apart.

BRIGHT YELLOW French marigolds may grow as high as three feet, but their carnation-like blooms look almost good enough to eat, and they make excellent cutting flowers.

Other varieties in bush form may grow only to a height of one foot.

NICOTIANA or flowering tobacco, with its deep red, pink and white star shaped flowers, winds up the list of easy-to-grow annuals. It is a rapid grower from seeds sown directly on the surface of the soil but needs thinning to eight to 10 inches apart. Its blooms are at their best in the evening.

Each of these flowers are disease-proof, drought-resistant and not bothered by insect pests, but they all appreciate a fair level of soil fertility. This means that a light application of plant food before planting is very much in order, although too much may cause stalkiness and small blooms.

HOME PLANTS will be much better off for the summer if the pots are buried in the ground so the surface of the soil is even with the top of the pot.

They should be placed on the north side of the house beneath a tree.

STAKING IS important for many tall growing flowers such as delphinium and for vegetables such as tomatoes. Place the stakes before the plant starts to break in the wind. Do not tie stems too lightly to the stakes or they will be injured when they enlarge with new growth.

It is much better to make the initial tie upon the stake and then tie the plant to it. This prevents slipping of the plant and also allows one to more gracefully arrange the shoot.

EARLY BEETS, like the Egyptian, get poor in quality in summer. Hence it is better to provide the successioin by sowing seed of the Detroit Dark Red this month.

A third sowing, of the improved Blood Turnip Beet, is also made in June, July or August for winter use.

SET OUT egg plant now, in rows three feet apart and three feet in the row.

Give them side dressings of plant food after they start to grow and be on the lookout for potato beetles which attack these as much as they do potatoes.

BEST MILEAGE

Best gasoline mileage is attained at steady speeds of between 20 and 40 miles per hour, reports the National Automibile Club. Sudden acceleration can cut mileage as much as 50 per cent.

A Hats Off to the Local Red Cross, One of the Top Ten in California

The Mt. Diablo Chapter, American Red Cross, has been cited as being one of the first 10 chapters in the state to exceed its quota in the annual fund drive.

Have you stopped to consider just what that means?

Well, imagine yourself a victim of one of the recent floods or tornadoes. Like a nightmare, everything you've worked for suddenly disappears in the wake of wind and water.

The Red Cross steps in and shows you that all is not lost. But with exceeded quotas like that of the Mt. Diablo Chapter, life is again made worth living.

Now, what does it mean to go over a quota?

Simply, it means that everybody dug in and made a fine cause successful. Everybody, from chapter chairman Ed Larmer and Ed Barnett, drive chairmen, down to the school kid who pitched in his licorice change.

It means that men and women throughout the area contributed not only their money, but their time and energy.

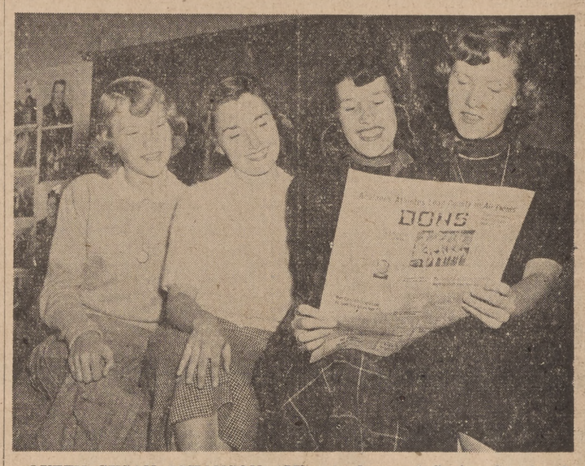
It means that people, realized how important is the work of the Red Cross.

It means that people laid aside their own cares and trials and went door to door, person to person, and made this year one of the finest in the chapter's history.

And so, in consideration of all that, the SUN doffs its hat to all.

A heartfelt hats off to Ed Larmer and Ed Barnett, for their organization and administration.

A hats off to the more than 800 fund drive volunteer workers. And a hats off to each and every person who contributed to the drive.



QUEEN SUSAN JOHANSON, "Miss Acalanes of Spring Sports of 1952," peers over the shoulders of runner-ups Judy Johnson, Jackie Costa and Peggy Everest as they look over voting tabulations in a recent issue of the Blueprint, student publication.

Supervisors Vow Early Decision On County Park

Plans for a county park system this week were given a hint of approval by the board of supervisors.

At least, the board promised an early decision on three recommendations made by the Contra Costa Park Council pending discussions with the county planning commission and district attorney.

COUNTY ADMINISTRATOR D. M. Teeter urged the supervisors to take advantage of the group's enthusiasm and offer of free work.

Thomas Heaton, county planning technician, said his commission has almost completed study of shoreline development which is a feature of the park system, and that work could proceed if the supervisors approved.

Matching funds from the state would be sought if such a program is attempted, he said.

The three proposals made Tuesday by the park group were:

1. Appointment of a five-man unpaid county park commission.
2. Appropriation of $8500 for a technical survey of needs and costs.
3. Establishment of the park program following the study.

WILLIAM PENN MOTT, 62 Ardilla Road, Orinda, park council chairman, who outlined the program, said the survey, which would be completed within a year, would be so thorough and detailed supervisors would have a sound basis for decision.

Opposition to the proposal was made by W. S. Van Winkle, president of the Contra Costa County Taxpayers Association, and Harry L. Morrison, Jr., executive director of the group.

They said work should be done by the county planning committion. They said, however, they were not opposed to park planning.

They explained the proposal calling for a separate group for park planning was not economical and was detrimental to taxpayers.

George Cardinet, Jr., 5301 Pine Hollow Road, Concord, of the park council's board of directors, said that costs would be even higher if the planning commission were to undertake the job.

HE SAID TO MAKE an exhaustive study, the planners would have to hire additional help which would come under civil service.

Mott, principal speaker for the council, is superintendent of parks in Oakland and president of the American Institute of Park Executives.

Property values in an area served by parks, which Mott said his group visualizes as having 50 to 500 acres a unit, increase two and three times as fast as areas which are not near suitable parks.

A RESOLUTION APPROVING the park council's program was read from the Richmond PTA Council.

Another from the Contra Costa Mayors' Council opposed it on the ground that the planning commission is the logical group to carry out the park project.

Speakers Available On Road Bond Issue

Speakers on Proposition A, the $10,250,000 county roads bond issue on the June 3 ballot, are now available to organizations.

Groups desiring speakers can make arrangements by telephoning the headquarters of the Contra Costa Citizens' Highway Committee of 100, Martinez 120, or writing to 838 Escobar Street.

Acalanes Senior Girl Gets State Award from Elks

Barbara Springston, Acalanes senior, has been awarded a $100 bond by the Elks of California as winner of a statewide youth leadership contest sponsored by the B.P.O.E.

Barbara was nominated for the award to the Walnut Creek Elks Chapter 1811 by Principal Stanley Walgren and members of the Acalanes faculty.

Miss Springston, secretary of the Acalanes Associated Student Body and an honor student, will now vie with contestants from other states for national honors and a $400 bond award.

Presentation of the award is being made by Charles Aiman, ex-Exalted Ruler of the Walnut Creek Elk organization.

Scout Circus Set For Next Week

Boy Scouts of Mt. Diablo Council will present their first scout circus at El Cerrito High School field at 7:45 p. m. next Friday and Saturday nights, May 16 and 17, according to George H. Macey of Walnut Creek, program committee chairman.

Over 4000 participants of 103 cub packs, scout troops and explorer units will take part in the multi-ring, eight-event show.

The circus, beginning with a Grand Entry Parade, will last one hour and 45 minutes. It will include clowns, animals, specialty groups, camping demonstrations, pioneering demonstrations, game and signaling exhibitions, fire making by flint and steel, bridge building, wall scaling, tumbling and tower building. Theme for the show is "Forward on Liberty's Team." Every scout participating will be presented with a clown-face emblem to wear on his uniform.

Scouts and cubs, now selling tickets, are enlarging their units' treasuries through a 30 per cent commission credit until May 1, which then dropped to 20 per cent. Each scout selling three tickets will be awarded a special plastic neckerchief slide in the shape of a Liberty Bell.

Among the event directors is Mervin Bradley of Lafayette, in charge of the Grand Finale.

Scouting units from Walnut Creek participating in the circus are Cub Pack 59, sponsored by the Walnut Creek Women's Club; Scout Troop 202, sponsored by St. Paul's Episcopal Church; Troop 205, sponsored by Community Baptist Church; Troop 209, Citizens Group; Troop 213, Church of Nazarene; Troop 211, Latter Day Saints Church; Troop 220, Presbyterian Church, and Troop 214, Elks Lodge.

Scouting units from Lafayette and their sponsors are Troop 204, Dads Club; Troop 218, Rotary Club; Troop 210, Brotherhood of Our Savior's Lutheran Church.

From Orinda are Troop 207 and Cub Pack 211, both sponsored by Orinda Lions Club.

Mt. Diablo Council includes scouts from the cities of Berkeley and Albany and all others throughout Contra Costa County.

Barbecue Postponed At Buchanan Field

The barbecue to be held at Buchanan Field has been postponed from May 17 to May 24.

The Mt. Diablo unit of the Aircraft Owners and Pilots association, hosts for the event, invite all members and friends to attend.

Olympic Tests At Hunter Trials

Twenty-four hazards, including an Irish Bank, a moat-protected high dirt wall and three newly constructed solid stone jumps, will face Olympic test riders and competitors in the working hunters class at tomorrow's and Sunday's afternoon performances of the fourth annual spring hunter trials at Pacheco Road grounds.

Tomorrow's events will begin at 10 a.m. with the Olympic dressage tests in the arena. The public is welcome but the gates don't formally open until noon. Olympic Judge Ted Schaps will make conformation judging at 11 a.m.

First set of Olympic roads and trails riding takes riders out of the arena for half an hour at 12:30. Formal opening of the show is at 1 p.m. with presentation of open jumpers competition.

TOMORROW afternoon's events in order, Walling announced, will be: The 24-hazard tests for Olympic entries, working hunters and other than thoroughbred hunters; two seven and one-half minute periods of polo between Vic Graber's Crescent Jewelers and Billy Linfoot's San Francisco team; the second group of Olympic entries over the hazardous course; the last two chukkers of polo.

On Sunday at 11:00 a.m. green hunters compete. Conformation judging is set for noon. Formal opening of the show takes place at 1 p.m., with two sets of 24-hazard competitions, children's hunters, ladies' hunters, hurry scurry, polo between Belmont and Stanford University and finally the awarding of Olympic, hunter and jumper championship awards.

Concert Tickets On Sale at PG&E

Acalanes Community Concert Association memberships will be renewed and new ones accepted during the one week campaign drive beginning Monday through Saturday noon.

A campaign headquarters will be established at the Walnut Creek office of Pacific Gas and Electric Company. The headquarters will be open from 9 to 5 p.m. Tuesday through Friday and until Saturday noon, according to Hester Hoffman, executive secretary. Memberships are $6 for adults and $3 for students.

The artists committee will meet immediately after the Saturday noon closing to choose the series of concerts from a list including the most famous names in the music world.

Susan Johanson 'Miss Acalanes' Of Spring Sports

A petite, blonde Acalanes freshman, Susan Johanson, has been chosen by her fellow students to reign as "Miss Acalanes for Spring Sports 1952."

Elected through balloting conducted in the Acalanes school paper, the Blueprint, Susan will be the recipient of more than $70 in prizes donated by local merchants.

Runners-up were Peggy Everest, senior, and Judy Johnson and Jackie Costa, juniors.

"Miss Acalanes" will be officially presented with her title and awards at the next student sports rally, Linda Meade and Mary Thies, editors of the Blueprint, stated.

Nearly a thousand ballots were cast.

Awards included everything from a lubrication job for her own car or a friend's, to jewelry and free material and sewing lessons.

Cook-out Planned For Girl Scouts

A cook out has been planned for the Leaders Association meeting of the Diablo Valley Area Girl Scout Council from 10 a.m. to 3 p.m. Wednesday in the Walnut Creek City Park.

The training class being conducted in Orinda will participate in the day's program as a portion of their training.

Activities will be directed by Mrs. E. Wicander, president. She will be assisted by Jeanne Christie, executive director and Mrs. D. Brussard, trainer. Miss Christie will be the director of the established camp at Sierra Woodland this summer and Mrs. Brussard the director of the Day camp held in Upper Mitchell Canyon.

Each of the seven districts in the Council will be responsible for a portion of the program. Pleasant Hill the flag company; Walnut Creek, will demonstrate several phases of outdoor cooking; Alamo, outdoor songs and games; Danville, folk dancing; Lafayette, woodcraft and primitive utensils; Orinda, fire building; Ygnacio, Dramatics.

To assist the leaders in instructing their girls in preparing their camping rolls, Miss Christie will teach lashing and camp packing.

Each person attending the cook-out is requested to bring her own knife, fork, spoon, plate and cup in addition to any food that she might wish to cook over an open fire. Coffee will be served.

Fashion Caravan Theme—Glamor!...

Final preparations for the Caravan of Fashions to be presented by the League of Jewish Women at Diablo Country Club next Wednesday at 12:30 p.m. are well under way. According to Mrs. Elliot Karlins, general chairman of the event, the program for the day is shaping up very well and only final details are still to be completed.

One of the highlights will be a daring, impressionistic Algerian dance by Dulcy Stovner, premiere danseuse of the Raoul Pause concert group. Mrs. Italo Gambino, well known concert pianist and teacher, will provide the musical setting.

Barbara Farr of Trans-World Airlines will be the travel commentator, and fashion notes will be presented by John A. Keller and Mrs. Ann Rose of Lindburg's.

NO EFFORT has been spared by the committee chairmen and their assistants to give the fullest measure of color, glamor and entertainment to this affair.

Mrs. Lawrence Litz, chairman of decorations, has been assisted by Mesdames Irving Leiber, Hy Wiseman, William Landsburg and Herbert Martin. Mrs. Henry Brodsky heads the hostesses.

Programs are in charge of Mrs David Zuckerman and Mrs. Robert F. Robinson, president of the League of Jewish Women. Mrs. Marvin Epstein is in charge of tickets and invitations.

Mrs. Sam Wiseman, Walnut Creek 4233, should be contacted for reservations. Fashion coordinator is Mrs. Bernard Kaplan, and Mrs. Harold Bloom is handling the prizes.

A NINE-PANEL mural, painted and decorated by Mrs. Leon Dinkin, will form the exotic background against which the lovely summer fashions by Lindburg's will be displayed to their fullest advantage.

The public is cordially invited. Tickets are being sold by all League members.

HIGHLIGT OF the "Caravan of Fashions" to be presented by the League of Jewish Women at Diablo Country Club Wednesday at 12:30 p.m. will be a daring, impressionistic Algerian dance by Dulcy Stovner, leading dancer and teacher of the Raoul Pause ballet and concert group.

Clothes to Korea—Drive Opens Monday

With relief for Korean refugees a prime goal, the annual clothing drive of the American Friends Service Committee, a Quaker organization, will be conducted next week.

Starting on Monday, clothing may be brought to the following collection depots: Lafayette, the vacant store between Super Saver Market and Budget Cleaners, on Mt. Diablo Boulevard; Orinda, the Jonathan Room of Orinda Community Church; Walnut Creek, Niles-Spears' old shoe store on Locust Street. Depot hours, through May 17, will be 9 a.m. to 6 p.m.

Grammar school children this week brought home appeals for clothing. Youngsters can bring articles to school next week.

Lafayette chairman is Alice M. Smith of the Potters Wheel (Laf. 4872). Orinda chairman is Mrs. A. W. Elkinton (Orinda 8879). Walnut Creek chairman is Mrs. June Webb (W.C. 3631).

The campaign at Acalanes High School will be conducted by the Acalanes Young Life Club, under direction of Ray R. Riviere. The group has made plans to assist with the collecting in Walnut Creek.

NEW AND USED garments, the latter in decent condition, may be contributed. Clothing collected will be baled and sent to Korea, Japan or Germany by the American Friends Service Committee, which has workrooms staffed by volunteers in Stockton, Berkeley, Palo Alto and San Francisco.

"No matter what comes next in Korea, millions of men, women and children will continue to suffer unless we help," the three local chairmen point out in a joint statement.

"THERE ARE little boys, for example, running around over there in the bitter cold with nothing to wear except a gunnysack for a shirt—no pants. If they're lucky they may have sacking or a piece of rubber to use for shoes; otherwise, they're barefoot, too. Any makeshifts, even pieces of torn cloth, are serving for clothes.

"Most of us here have usable clothing we don't need, which might save a life in Korea."

Soap, also, is greatly needed. "Why not slip a bar in your bundle?" suggest the chairmen.

Last year's successful drive resulted in contributions of over two tons of clothing in Lafayette, two tons in Orinda and three tons in Walnut Creek.

Sauer Addresses Realtors Mart

At the breakfast meeting of the Contra Costa Realtors Mart Monday at Planters Dock, Lafayette, Victor Sauer, new county commissioner talked on the planning for the improvement of the county road system, and explained the need for the proposed $10,250,000 bond issue for county road improvement.

Assisting Sauer in his discussion was George Berry, assistant county surveyor. Supervisor Ray Taylor presented literature and made a short talk on the proposed bond issue.

For the meeting next Monday morning, Frank Hollander, real estate broker in Pittsburg, will present a movie on the growth and development of Pittsburg.

Petitions Ask Increased State Aid to Schools Be Placed on November Ballot

Local educators joined with teachers and public school administrators throughout the state this week in a drive to secure the required number of signatures to get a proposed constitutional amendment increasing state aid to education on the ballot in the coming general election.

Petitions are being circulated locally to have the voters consider in November increasing state aid from $120 per pupil per year to $180 per pupil per year to local school districts.

CALIFORNIA TEACHERS' Association officials and school authorities assert that the state is paying a decreasing percentage of the total cost of operating the public schools. According to the C.T.A., the proportion of current school expenditures paid by the state has declined from 55 per cent in 1935-36 to 43 per cent in 1949-50. As a result, the proportion borne by local property owners has increased from 45 per cent to 57 per cent during the same period.

Educators point out that a majority of California's school districts have been forced to hold special elections for local sanction to exceed minimum local tax rates as set by state law.

SCHOOL ADMINISTRATORS here encouraging passage of the proposed amendment increasing aid to education include Sheldon Rankin, superintendent, Walnut Creek Elementary District; W. B. Ellis, superintendent, Lafayette Elementary School District; Joseph L. Sheaff, superintendent, Orinda School District, and Neil M. Parsons, superintendent, Acalanes High School District.

C.T.A. representatives estimate that the amendment increase would mean an average $25 per pupil in added state aid ,with the actual amount given varying according to the need of each individual school district.

SCHOOL OFFICIALS argue that the gain made by public schools in 1946, when state aid was raised to $120 per pupil, has been wiped out by inflation to the point where the state aid is of rapidly decreasing assistance in providing adequate educational opportunities for the swelling number of youngsters pouring into California's schools.

California Teachers' Association claims that "if business conditions remain at present levels there is a strong possibility that this measure can be financed without raising state taxes."

DEADLINE FOR signing petitions urging putting the proposed constitutional amendment on the ballot is Monday. Individuals who have not been approached for signatures may secure a petition for signing at any of the schools within the Acalanes High School District. Petitions will be available for signature at Acalanes today, 8 a.m. to 4 p.m.

Persons unable to visit the schools to sign may contact any teacher they know to secure a petition.

Endorses Condon

Robert L. Condon, candidate for Congress from the 6th Congressional District, has been unanimously endorsed by Oilworkers International Union, Rodeo Local 326.

PAT MARSHALL, apearing with the "Raoul Pause" Concert Dance Group, will be a guest artist at the Diablo Valley Choral's Spring Concert tomorrow night at Acalanes High School.

Choral Group Set For 10th Concert

The Raoul Pause Concert Dance group will be guest artists at the Diablo Valley Choral's 10th annual spring concert 8:15 p.m. tomorrow in the Acalanes High School auditorium.

Pause, Pat Marshall, Dulcy Stovner, Irma Wallenius and David Oliver will stage a program including pre-classic dances from Verdi's "Rigoletto," a group of dances entitled "Harvest," "Pastoral," and "Tarantella," based on paintings by the Flemish artist Bruegel.

According to Frances Fletcher, Choral president, the program will include selections from "Carmen," Victor Herbert arias, and selections from "South Pacific."

Dione Mustard, Patricia Warden, Frances Fletcher and Alice Simmons will be featured as soloists and Nancy Pauline Turner will direct.

Tickets may be obtained from Choral members, at Reilley's Music Store, Miss and Mrs., and at Leo's Smoke Shop in Walnut Creek, or at the door.

Proceeds from the concert are to be given to the Recreation Council for athletic equipment.

Road Bonds Endorsed By Labor Councils

The Contra Costa County CIO Council, representing many thousands of industrial workers, has endorsed Proposition A, the $10,250,000 roads bond issue. Notice of council action is being communicated to all locals by President Jack Bruhl of Hercules.

The two parent A.F.L. councils have also endorsed the proposition.

Horstkotte Gets Additional Post

Gerry A. Horstkotte, Central Contra Costa Sanitary District engineer, now has the additional job of sewer inspector.

The motion naming Horstkotte to the post was made at last week's sanitary district meeting by chairman Elliot Johnson.

Johnson explained hat the two positions, engineer and sewer inspector, should have been joined when Horstkotte was originally appointed.

Horstkotte also was authorized by the board for membership in the California Sewage Works Association.

Spotlighting the Strip

By KITTY COLE

With this issue, we bring you something new — a column to keep you informed, and promote interest in, community restaurants and night clubs. We feel they can compete with, and even top, many of those in Oakland and San Francisco, and are practically at your doorstep.

If, like most of us who moved out here, you hope to see this area develop to its maximum potential, you can help a great deal by supporting the business men and women in your neighborhood. Subscribe to the local newspapers, shop in local stores and dine and dance in local restaurants.

The lights are burning a little brighter these nights at the **ACAPULCO**, because of the brilliant Latin-American rhythms of CHUY REYES and his orchestra.

His musical stylings are in great demand, by recording and motion picture studios. FREDDY MOTTLE has opened his newly-decorated dining room for luncheon and early dinner . . .

K. C.'s (that's me) four-point-plan for escaping a work-a-day world: Join friends in **EL NIDO'S** beautiful patio — sip a cool drink — listen to organ music played by JIMMY RODGERS — and stay on for dinner, chosen from the new a la carte menu or the taste-tempting smorgasbord.

I've sold myself the idea, how about you? . . .

If you follow the cars these spring nights, you'll wind up at **PAUL'S VILLAGE** in Richmond, where JIMMY RODGERS (that lad really gets around) and his orchestra are now playing. They just finished an engagement at ACAPULCO.

Spot's new owners, JOE COCO, (S. F. La Favorita) and WILLIE REYES, (Sinaloa) are doing capacity business . . .

What is lasagne? Dine at **DANNY VAN ALLEN'S** and try this specialty of the house. Glimpsed SPIKE JONES and PAPAGAYO'S AL WILLIAMS talking over old times with DANNY . . .

The countless cars around **CAPE COD HOUSE** at all hours prove that crowds draw crowds.

Of course, the delicious dinners served there have much to do with its popularity, and the friendliness of the THOMPSONS, RUTH and DON, make you feel right at home.

For dinner on a hill, try **PLANTERS DOCK.** The beautiful view and the incomparable food, served in unusual surroundings, give one the feeling of dining in another land . .

One of my favorite people, MILT NELSON of the **ORINDA WILLOWS**, spends many a night "doing" the other strip spots, in an effort to build friendlier relations among club operators. He believes there is business enough for many night spots, if each one would work for the good of all.

Year Sentence For TV Burglar

Former minister Cleo E. McGehe was sentenced this week to a year in the county jail for the theft of a television set in Walnut Creek last February.

Inspector Norman Wilson of the sheriff's office said McGehe was charged with the one burglary, but that he'd admitted six others in Orinda, Lafayette, Danville, and Concord.

McGehe formerly lived in San Francisco.

Artists Market Opens—Exhibit, House Tour Highlight Its Start

The Artists Market at 1045 Stuart Street, Lafayette, opened on May 1 with an exhibition of paintings, prints on textiles, sculpture, ceramics, jewelry, weaving and photography as its first offering to the public.

A House Tour of show-place homes in the Springhill Road section of Lafayette was the affair which introduced the Market to the hundreds of persons interested in this non-profit organization.

THE TOUR, sponsored by Outdoor Art Shows, Inc., and headed by Mrs. Ray Garrett, began at the Artists Market, where refreshments were served under direction of Mrs. Edward Larmer. Helping Mrs. Larmer were Mesdames Edmund Barnett, C. M. Busby, F. L. Confer, Betty Helmholtz, William S. Ingram, Loretta A. Jennings, Virginia Herrick and Arthur Wagstaff.

Homes featured in the tour were those of Mr. and Mrs. Henry Graves, a modern home designed by Alfred Henry Hill, A.I.A., of Berkeley, and built in 1951; Mr. and Mrs. Paul Bronkhurst, a ranch type home featuring the use of antiques and an extensive clock collection.

Also those of Mrs. Bert C. Ellis, a small modern home designed by J. Quincy Jones of Los Angeles and chosen by House Beautiful as the "First House of the Year" for 1950; Mr. and Mrs. Jack Schneider, a Cape Cod style home featured by Better Homes and Gardens, and the modern home of Dr. John Ellis, featuring indoor planting and an indoor-outdoor patio.

Art chairman for the tour was Mrs. M. B. Plant. Transportation was handled by Mrs. Douglas Kilbourn and tickets by Mrs. C. H. Lentz and Mrs. L. J. Cunningham.

THE ARTISTS MARKET is under the chairmanship of Dorothy Moore Brown of Lafayette. Its many features include an art rental gallery, with a minimum rental period of 12 weeks at a minimum rent of $3 plus 50 cents insurance, and a rental price of 3 per cent of the cost of paintings over $100.

The Market's exhibitions will be juried and changed each month. It will be open to the public from noon until 4 p.m. Thursdays and Fridays, when tea and coffee will be served by members of Mrs. Brown's committee.

FUTURE PLANS include one-man exhibitions, summer evening parties at the Market, following the theme of the highly successful Arty Party, and a tour of swimming pools, planned for August.

The Artist Market will also serve as headquarters of the recently reorganized Outdoor Art Shows, Inc., and exhibitors at the Market are required to hold membership in the latter orgaiaztion .

Michael Czaja, director of the Fourth Annual Art Fair, has announced that entries for the air will include a large percentage of Diablo Valley artists, many of whom are contributors to the current show at the Artists Market.

Mrs. John M. Ellis, chairman of the ways and means committee of the Outdoor Art Shows, will be in charge of future parties at the Artists Market, and Mrs. Robert Clough will assist her, as will Mrs. Peter Howard.

Local Youths on TV Program

Several area youths will be featured on the second vocational education television program to be presented over station KRON-TV today at 10 a.m.

Among those on the program are Elliot Mauzy of Walnut Creek, Morris Skinner of Lafayette, and Rob Sherlock of Walnut Creek.

At the end of the program, Ray Turner of Walnut Creek, chairman of the Contra Costa County Apprenticeship Council, will announce the annual county apprentice graduation ceremony, to be held 8 p.m. today at Richmond Civic auditorium.

The program this morning will show the student as he completes high school and begins his apprenticeship.

Records Topple as Don Trackmen Capture 2 County Championships

The Acalanes Dons really went to town when the Varsity and Bee track squads came through for a double win in the County Track Meet held at the Mt. Diablo oval last Saturday afternoon.

The Varsity win was pretty much according to the form sheets as the charges of Coach Charlets Eaton left the opposition far behind as they rolled up an amazing 95⅛ points.

Pittsburg was in the runner-up spot with 53, Antioch had 42¼, Diazlo was next with 30⅓, while Alhambra had 19, John Swett 5 and Albany 2.

The Varsity's lone winner in the running events was Gary Coad, who came in first in the low hurdles, a fast 21.4.

IN THE FIELD events the Dons really showed their strength when they copped four out of a possible five first places.

Neil Caldwell boosted himself 12 feet, 4½ inches for a new record in the pole vault. Bill Powers went 5 feet, 10 inches in the high jump. Eric Murray heaved the 12-pound iron ball 49 feet, 9 inches and tossed the discus 135 feet, 6 inches.

ALL OF WHICH meant first places and assured Acalanes the championship for the third consecutive year.

Other record breaking performances were made when Briggs of Pittsburg ran 1:58.2 in the 880 and Joyner of Pittsburg leaped 21 feet, 9 inches in the broad jump.

THE WIN OF Coach Bob Lord's Bees was definitely in the upset class as they put on come-through performances to win the title.

In doing it, they posted more points than they had in any meet during the season's run.

The Don Babes had 59½ points, with Alhambra in the number 2 spot with 56⅓. Diablo was third with 51⅓. Antioch rated fourth with 27⅓. Albany had 26, Pittsburg 25½ and John Swett 1.

EDDIE MASON was a two-time winner with 108 feet, 9 inches in the discus and 49 feet, 10 inches in the shot.

Mike White leaped 5 feet, 7½ inches in the high jump which broke the county record by an eighth of an inch.

Bradshaw of Diablo set the county mark when he stopped the clocks at 10.- in the 70-yard high hurdle event, run for the first time this season, and set a new record of 10 feet, 10 inches in the pole vault.

The other record was made by Casillas of Pittsburg, who ran a beautiful 3:25 in the 1320-yard event.

Home is where you hang your clothes and where you eat — and where you buy clothing, food and other items.

Pitt, Diablo, Both Defeated By Don Golfers

The Acalanes golfers have had a busy and successful week. They defeated Pittsburg last Friday and trimmed Diablo's best on Monday.

The Pittsburg match ended with a 9-0 score in the Don's favor, with Bob Diehl winning honors with a 76, while Dave Cranston and Mike Elvidge posted a 78 and 79, respectively.

THE DIABLO match found the Don divot diggers out in front 18-0, with Bob Diehl leading the way with a 73. Dave Cranston was next with 75, while Mike Elvidge hit 78.

Other winners were Harvey Lowthian, Larry Collins and Bob Crall.

In match play one point is given for the best on the first nine and one on the last nine, with a third point going for the best total score.

The Don golfers have really been in high gear, having dropped but six points in all matches played to date. They are heavy favorites to cop the county title when the big event takes place at Diablo Country Club on the afternoon of May 26.

Legion, in 10-0 Win, Trounces Pleasant Hill

The Acalanes county baseball team, sponsored by Lafayette American Legion Post 517, had things pretty much its own way as it registered a 10-0 win over the Pleasant Hill entry, with Red Richard Jones throwing a no-run, no-hit game for the local lads.

The game was played last Saturday morning at the Acalanes diamond and found Jones in rare form as he struck out 12 in achieving his no-hitter.

The league is for boys under 16. All of the local team members are Acalanes students.

THE WIN PUT the Legion-sponsored team in the number 2 spot in league standings, with three wins as against a single loss. The loss came at the hands of Avon's Flying A nine, which leads the league by virtue of four straight wins.

The local team is slated to tangle with Avon tomorrow at the Avon diamond in a 10 a.m. game.

A WIN FOR the local lads would throw the league into a tie, whereas a loss would virtually assure Avon the pennant.

P.O. Box 55, Antioch, California

Don Spring Sports Schedule Nears Climax

Time rolls on and each passing week finds the spring sports calendar with not so many events and fewer taking part as elimination meets take their toll.

The Don trackmen try their luck at a sectional North Coast Meet today at Mt. Diablo's track stadium.

The meeting, to start at 1:30 p.m., embraces the winners of the Contra Costa County Meet, the East Bay County League and the Alameda County Athletic League.

Competition will be keen and the next move will be the North Coast Meet involving all of Northern California, which is set for Saturday, May 17, at the University of California.

THE DONS ARE proud possessors of the county crown in Varsity and Bee divisions and could be a surprise in today's meet and cop points in both the North Section and state meets.

Best bets for the Dons lie with Neil Caldwell, the better than 12-foot pole vaulter, and Eric Murray, who heaves the shot and throws the discus. High Jumper Bill Powers and Bruce Morgan could be winners.

TOMORROW Coaches Charles Eaton and Bob Steven take six athletes to the Fresno Relays, where competition will be keen, as the event draws performers from throughout the state.

Neil Caldwell, pole valuter; Gary Coad and Doug Cooper, hurdlers, and Art Siler, Eric Murray and Ray Williamson, weightmen, are making the trip.

Tennis met up with Antioch at Antioch yesterday, too late for results before press time, but on the basis of past performance the Dons were favored to repeat an earlier season win.

NEXT TUESDAY the racquet men travel to Martinez to cross racquets with Alhambra, and they rate the nod, having easily defeated the Alhambra contingent.

The Junior Varsity baseball nine meets Pittsburg on the local diamond next Wednesday.

The Pittsburg nine holds an extra-inning win over the Don Babes but the Acalanes club is fried up for this one and appears ready to cop the win over its arch-rivals.

Varsity baseball also met up with Antioch at Antioch yesterday, and on paper it looked like a toss-up before the game.

THE VARSITY NINE travels to Martinez next Tuesday and are favorites to repeat a first-run win in which they racked up 10 runs to Alhambra's two.

Next Friday, May 16, the Pittsburg Pirates invade the Dons' diamond for a Varsity game and again the Dons rate the edge, due to an early win plus the fact they will be playing at home.

DON SWIMMERS will be shooting for higher honors when they wind up their season with the North Coast Section Meet at the University of California pool, with diving taking place today and swimming events under way tomorrow.

Golf gets back in the swing of things with El Cerrito providing the opposition next Friday, May 16.

Scene of the action will be the Orinda Country Club.

El Cerrito has some fine stick men but the Dons appear to be capable of handling the situation.

SPORTS

DON DIVOTERS have really been doing their stuff this season. Coach Twining (kneeling) guides Don Diehl in the proper stance, while, left to right, Harvey Lowthian, Mike Elvidge and Don Reid look on. Dave Cranston, Acalanes ace, is not in the picture.
—Acalanes Blueprint photo

Swim Titles Won By Varsity, Bee Acalanes Squads

The Acalanes swimmers of Coach Lee Arth lived up to the advance dope when they easily won the county titles in both Varsity and Bee meets at Albany last Saturday.

The Don Varsity copped four firsts and enough seconds and thirds to post 91½ points.

ALBANY ended up in the number 2 spot with 68, Diablo scored 41, John Swett 7½ and Alhambra 3. Dick Hubach was the high point man, amassing 14, while Brooks de Lanuex had 12.

THE BEES dominated the meet even more than the Varsity, copping six out of a possible eight first places and registering 94½ points.

Mt. Diablo trailed for the second spot with 58½. Albany was next with 41, while Alhambra had 6 with John Swett failing to score.

John Spiegl tallied 14 points for high point honors, with gray capturing 11.

Another Victory For JV: 3 to 1 Over Piedmont

The Acalanes Junior Varsity nine added another win to its growing list Monday when it defeated Piedmont High, 3-1.

John Conley, promising Frosh hurler, started the game and had things well in control as he shut Piedmont out while yielding three safeties over the four innings he worked. As a matter of record, not a ball was hit out of the infield during his four-inning stint.

John Olcott took over in the fifth and finished the game up in good style. He gave up but one run while throwing no-hit ball.

THE DON BABES scored all of their tallies in the third frame, when they combined two hits, a walk and an error for three runs.

It all started when the first man up in the inning, Alan Ruff, hit a sharp line drive between third and shortstop and advanced to second when Stan Mumford walked.

Seconds later "Red" Jones hit a single to left center, bringing Ruff home with run number 1.

John Olcott struck out on three pitched balls. Rick Johnson was next in the batting order and he found one to his liking and proceeded to crack out a double to deep right, scoring Mumford and Jones.

Bart Ferro was next at the plate and he was on when the shortstop muffed the ball, but the inning and scoring ended when Jerry Coakley struck out and Dick Austin grounded out, pitcher to first.

PIEDMONT'S LONE tally came in the sixth frame when Jack Steinbeck, leadoff man was on by an error and romped home on a fielder's choice after advancing to second on a steal and going to third on a pass ball.

By DIANE CHURCH

TEACHERS HAVE THEIR DAY

When I arrived at school a week ago Tuesday morn bright and early I was sure something was wrong. But I didn't know what it was. Then it dawned on me that today was "Teachers' Day!" That explained it! Our male teachers were allowed to wear anything they wanted, from tuxedoes to bathing suits. (Let me hasten to reasure you, most teachers were in sport or "work" clothes.)

Mr. Handley and Mr. Sanchez could be seen in tan workclothes and heavy woolen jackets. Many people (teachers and students alike) thought that Mr. Hansen was just a student, while all day Mr. Twinning looked very collegiate in a borrowed Block "A" sweater.

Don't think our female faculty was left out. Although they were not allowed any freedom in dress they were given beautiful white corsages. Miss "Nick" of our science department said that the flowers came in very handy. You see, she had some very smelly experiments on the agenda for her Chemistry students (??). Well, you get the idea, when the smell got too bad she could sniff the flowers instead.

At noon the faculty was served a special luncheon in the library. One feature of the meal was the place cards for the teachers. Each had a picture pertaining to said "prof." Student Council members served the teachers.

A pleasant P.S. to this tale is the thank-you from the teachers which was read over the P.A. system the next morning. The faculty wished to express its appreciation and promised to remember the kindness shown them when the final grades are given out.

PARTY TIME

This week-end there was no organized shindig at school, so the Dons and Donnas took their cue from that and enjoyed themselves in various other ways — parties, trips and just plain loafing.

Some gals were invited by Marge Dineen to spend a week end at her family's beach house at Stinson Beach. Marge, four other girls, and gym teacher Miss Walin, who was chaperoning the girls started off about 7 p.m. Friday and arrived home late Sunday evening. Who were the other four girls? Well, I will tell you they were none other than Sandy Schroder, Ginny Spurlock, Betsy Laurenson and Punaani Garrison. All arrived back at school Monday morning with bright red sunburns.

SCHOLARS' SOIREE

Another event this weekend was the C.S.F. conference. It was a state-wide affair and was staged at Amador High School in Pleasanton and also at the Old Hearst Ranch. The business meeting was at the High School plus some wonderful vocational panels, in such fields as Business, Agriculture, Engineering, Journalism, Fine Arts, Medicine and Law. Up at the Hearst Ranch the "brains" could swim, go horseback riding, or just loaf. I guess you are wondering just who is smart enough to be on C.S.F. and who went to the conference. They were Connie Wollem, Diana Green, Katherine Bale, Joan McAdams, Loretta Dalby, Richard Knobel and Howard Nemir.

HEY, HEY, HAYRIDE

With the coming of spring hayrides also seem to come back into popularity. Last Friday many Dons and Donnas attended the P. F. hayride. Seen at the hayride were . . . Rae Littlejohn and John Kistinger, Ellen Stanley and Sue Foyler, Goef Dunham and Judy Hall, Dave Barrows and Catherine Monroe, Don Fibush and Sue Small, and Howard Andrews and Pat Moriarty. All had a wonderful time.

NOW, LEND AN EAR

Didja know . . . that Marianne Bates had a slumber party after the P. F. hayride . . . that Bob Reark and Janet Harkness, and Bonnie Jeffries and Louise Schrepel went to Planters Dock for dinner . . . that Walt Williams and Phyllis Pyle, and Owen Babcock and Paula Cory were seen at the Hickory Pit . . . that Erna Soder appeared on the Armand Girard Television show . . . that Valeria Frickie is engaged . . . that there are 1.038 boys to every girl at school.

That Diane Wulzen ran into a tree on an eight mile hike which she took last Saturday . . . that the Mixed Doubles Tennis Tourney is well under way . . . that Mr. Stewart has gotten a call from the Navy. After this quarter it is "Good-bye Acalanes" . . . that Mr. Ross, Mr. Matson, Mr. Weiss and Mrs. Wilhelm are all members of the Naval Reserve.

SUN AND SAND

Last Sunday many kids were also seen at Santa Cruz Beach, having a wonderful time and trying to get a good tan. They were Wes Ackley and Judy Rugh, Ron Benson and Janet Klopf, Bob Westland and Nancy Edminster, Bob Herrick and Joy Abel who has recently transfered to San Ramon, Ed Tazer and Fay Davis, Muffy Davis and Bob Borghesani, Al Santos and Sally Shipley, Eddie Ambrose and Sarah Rinehart, and Bob Klectner and Karen Johansen.

EL POLITICO

Rumors are flying fast and furiously about the coming elections of Student Body officers. Petitions for candidacy are not out yet but will arrive around May 12th. I have gathered as much gossip as possible about who is running for what and here it is: Tom Morrish, Ed Neighbor and Ned Davis seem probable candidates for the president's job. Rick Johnson and Mike White seem to have good chances for the vice-presidency. Marianne Somers and Carolyn Goforth would like to be social secretary while Judy Johnson and Claudia Mauzy are thinking about taking minutes as secretary. This year few rumors are circulating about the yell leader positions which usually seem to be quite popular. 'N fact I have only heard Judy Rugh's name mentioned in connection with this job.

JAPANESE FAREWELL

Speaking of parties, here is one staged by the teachers. It was given for Mrs. Bartley who is going to Japan to be with her hubby who is stationed there. The shindig was given by Misses Nelson, Wagner and Peterson, and all the ladies at Acalanes attended the party, which took place in the cafateria.

Singles Title Won by Acalanes

The Acalanes Dons copped the county tennis singles title when Howard Flanders came from behind after dropping the opening set to Jim Gonzales of Diablo 4-6, to sweep the match by winning the next two sets 6-2, 6-3.

In the doubles the Dons ended up in the number 2 spot with Carlos Gonzales and Adrian Riggs of Diablo taking Jerry Gray and Don Rathjen of Acalanes in straight sets, 6-1, 6-1.

Christian Science Sermon – 'Adam And Fallen Man'
"Adam and Fallen Man" is the subject of the Lesson-Sermon that will be read in Christian Science churches on Sunday, May 11. From the Bible, selections will be read from both the Old and New Testaments including these verses from Luke:
"Now when the sun was setting, all they that had any sick with divers diseases brought them unto him; and he laid his hands on every one of them, and healed them. And devils also came out of many, crying out, and saying, Thou art Christ the Son of God. And he rebuking them suffered them not to speak: for they knew that he was Christ" (4:40, 41).
Correlative passages from the Christian Science textbaak "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will include the following:
"'Truth has but one reply to all error,'— to sin, sickness, and death: 'Dust (nothingness) thou art, and unto dust (nothingness) shalt thou return.' 'As in Adam (error) all die, even so in Christ (Truth) shall all be made alive'" (p. 545).

HELPFUL HINTS
FROM MILTIE

A wet bath towel can do a quicker job than a refrigerator when it comes to chilling a bottle of wine — if there is a breeeze blowing. Wrap the soaking wet towel around the bottle and stand it in an open window where the breeze can get at it. The evaporation will cool the wine very rapidly.

This sounds like a noble idea if you can trust your husband or the kids while the wine is sitting in the window. At our house I think the kids would be all right but I'd be willing to bet that just as soon as I put the bottle in the window, Tootsie would grab the wet towel to swat a fly or something and I'd get the towel, wine bottle and all around my neck.

LEGAL NOTICE

NOTICE TO CONTRACTORS

Sealed proposals will be received by the Clerk of the Board of Supervisors of the County of Contra Costa until 3:00 P. M. on May 20, 1952, for the reconstruction of Glorietta Court, Orchard Road, Valley View Drive, Woodland Road, Don Gabriel Way, El Camino Moraga, and Altamount Drive, located southeasterly of Orinda Junction. The total length of the project is 9275 in. ft.

The work shall be done in accordance with official plans and specifications prepared in reference thereto.

Plans, Specifications (but not including State Specifications or other documents included by reference), and Proposal Forms may be obtained by prospective bidders upon payment of a printing and service charge in the amount of Two Dollars ($2.00), which amount shall not be refundable. All checks shall be made payable to "Robert H. Kinney," County Treasurer.

Bids are required for the entire work described herein, and neither partial bids nor contingent bids will be considered.

ENGINEER'S ESTIMATE

1. Scarify and Reshape Existing Pavement 9275 lin. ft.
2. Crusher Run Base 4771 tons
3. Furnish and Apply Water 270 M. gal.
4. Liquid Asphalt SC-1 (Prime Coat) 31.7 tons
5. Emulsified Asphalt SC-6 (Paint Binder) 9.65 tons
6. Plant Mixed Surfacing (Dense Graded) 1988 tons
7. Adjust Manhole covers 14 each
8. Adjust Lampholes 4 each

The foregoing quantities are approximate only, being given as a basis for the comparison of bids, and the Board of Supervisors of Contra Costa County does not, expressly or by implication, agree that the actual quantities of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, or to omit portions of the work as may be deemed necessary or expedient by the County Road Commissioner.

TIME LIMIT

The Contractor shall complete all work on the project within (60) calendar days, counting from and including the day following the approval of the Contract by the Board of Supervisors.

LABOR

The attention of the bidders is directed to the section of the Specifications referring to laws to be observed.

In accordance with the provisions of the Labor Code, the Board of Supervisors has determined that the general prevailing rate of wages applicable to the work to be done, and to be paid on this project shall be as follows:

The attention of bidders is directed to the provisions of the Specifications regarding Legal Relations and Responsibility.

Attention is directed to the correlation of the Specifications with the Standard Specifications of the State of California, Department of Public Works, Division of Highways, January, 1949, as to materials, methods and workmanship.

The Contractor shall perform with his own organization and workmen under his immediate superintendence, work of a value of not less than fifty per cent of the value of all work embraced in the contract, as required by the Specifications for this project.

The Contractor, whose bid is accepted, shall furnish the following bonds to the County (at no expense to the County) executed by a responsible surety acceptable to the County in the prescribed form:

(a) Faithful Performance Bond
(b) Labor and Materials Bond

Each of the above bonds shall be in an amount equal to one-half (50%) of the total amount bid by the Contractor in his Proposal.

All bids must be submitted on a Proposal Form obtainable from the County Road Commissioner, and shall be accompanied by a Proposal Guaranty of at least ten per cent (10%) of the bid. Guaranties shall be in the form of certified checks, or cashier's check, as provided in the section of the Specifications referring to Proposal Requirements. Bidders Bonds will not be accepted. Failure of the successful bidder to execute and return the contract, or to file acceptable bond, as required, within the allotted time shall be cause for the annulment of the award and the forfeiture of the Proposal Guaranty. All guaranties not so retained by the County shall be returned to the bidders within fifteen (15) days after the award of the Contract.

The Contractor shall commence work within ten (10) days after approval of the Contract by the District Attorney of Contra Costa County.

The Board of Supervisors of the County of Contra Costa reserves the right to reject any or all bids.

Request for forms or information, and payment for plans and specifications, shall be addressed to County Road Commissioner, Post Office Box 390, Room 235, Hall of Records, Martinez, California.

Proposals shall be filed with Walter T. Paasch, Clerk of the Board of Supervisors, Hall of Records, Martinez, California.

By Order of the Board dated April 22, 1952.

W. T. PAASCH, County Clerk and ex-officio Clerk of the Board of Supervisors, County of Contra Costa, State of California,
By M. A. SMITH, Deputy Clerk.

Home is where you hang your clothes and where you eat — and where you buy clothing, food and other items.

Enlarged Organ To Be Dedicated In Sunday Rites

The congregation of Orinda Community Church will dedicate its enlarged Memorial pipe organ and chimes at the Mother's Day service at 11 o'clock Sunday, it is announced by Rev. Fred Morrow, the minister. Daniel Popovich will play special organ numbers, with the choir under Mrs. Popovich also participating. Theme of Mr. Morrow's sermon is related to the day and the conclusion of Family Life week, "Kingdom-Pattern."

Adult discussion at 9:30 is to be led by Lowell Young, who concludes two sessions of "Effective Prayer." Children may attend the church's instruction classes either at that hour or at 11 o'clock.

The first of a series on world religions is scheduled for the activity of the high school age Pilgrim Fellowship at 7 p.m. Recreation, worship and business are also included in the youth program sponsored by Mr. and Mrs. E. J. Turk and under the counselorship of C. Ray Fowler.

Among the musical numbers to be heard as part of the dedication at 11 o'clock are organ compositions of J. S. Bach: "Fantasie in G," and "Jesu, Joy of Man's Desirings;" "First Variation" by Franck. A women's trio, "Lift thine Eyes," and chorus, "He, watching over Israiel," are selections from the "Elipah" of Mendelssohn.
